"... and I will attempt to make this school greater, better, and more beautiful than it was when I entered."

Dear Nancy,

This year I can't tell you how much fun I've had going around with you what little I have. It seems like such a short time since school began

Twenty-one years ago, when the new school in the west end of Toledo opened its doors for the first time, a group of students, with keen eyes to the future, embodied in a "code" the principles and ideals for which that school should stand, then and now. The traditional Code of DeVilbiss High School contains six ideals which, if achieved, effect a richer and fuller life. As the school adopted these principles, so too did it choose their symbolizing colors for its color standard.

Color . . . everywhere there is color . . . and it gives spirit and brightness to every phase of life. Perhaps you have never been aware of all the colors that are evident in your school. The building, outwardly, is most attractive. An artist's delight is DeVilbiss in summer—red brick against a background of fresh green; in winter, snow paints another bright picture as it covers the surrounding campus with a blanket of sparkling white. Inside DeVilbiss, numerous activities vivify school days. Participation in clubs, sports, plays, and dances emphasizes the diverse shades of interest in the life of a loyal DeVilbiss student.

You can now see why it is so appropriate to connect our code's ideals with color.

The brilliant hue of red indicates Honor in our code. Green stands for Growth, not only in stature but also in living harmoniously with our fellow man. Gay yellow symbolizes Wisdom, all that knowledge gained in the golden years of youth. Beauty is blue; Truthfulness, orange—how well these two colors complement each other, for where truthfulness is found there too is beauty. Our last and loveliest shade is violet, the symbol of Service for others.

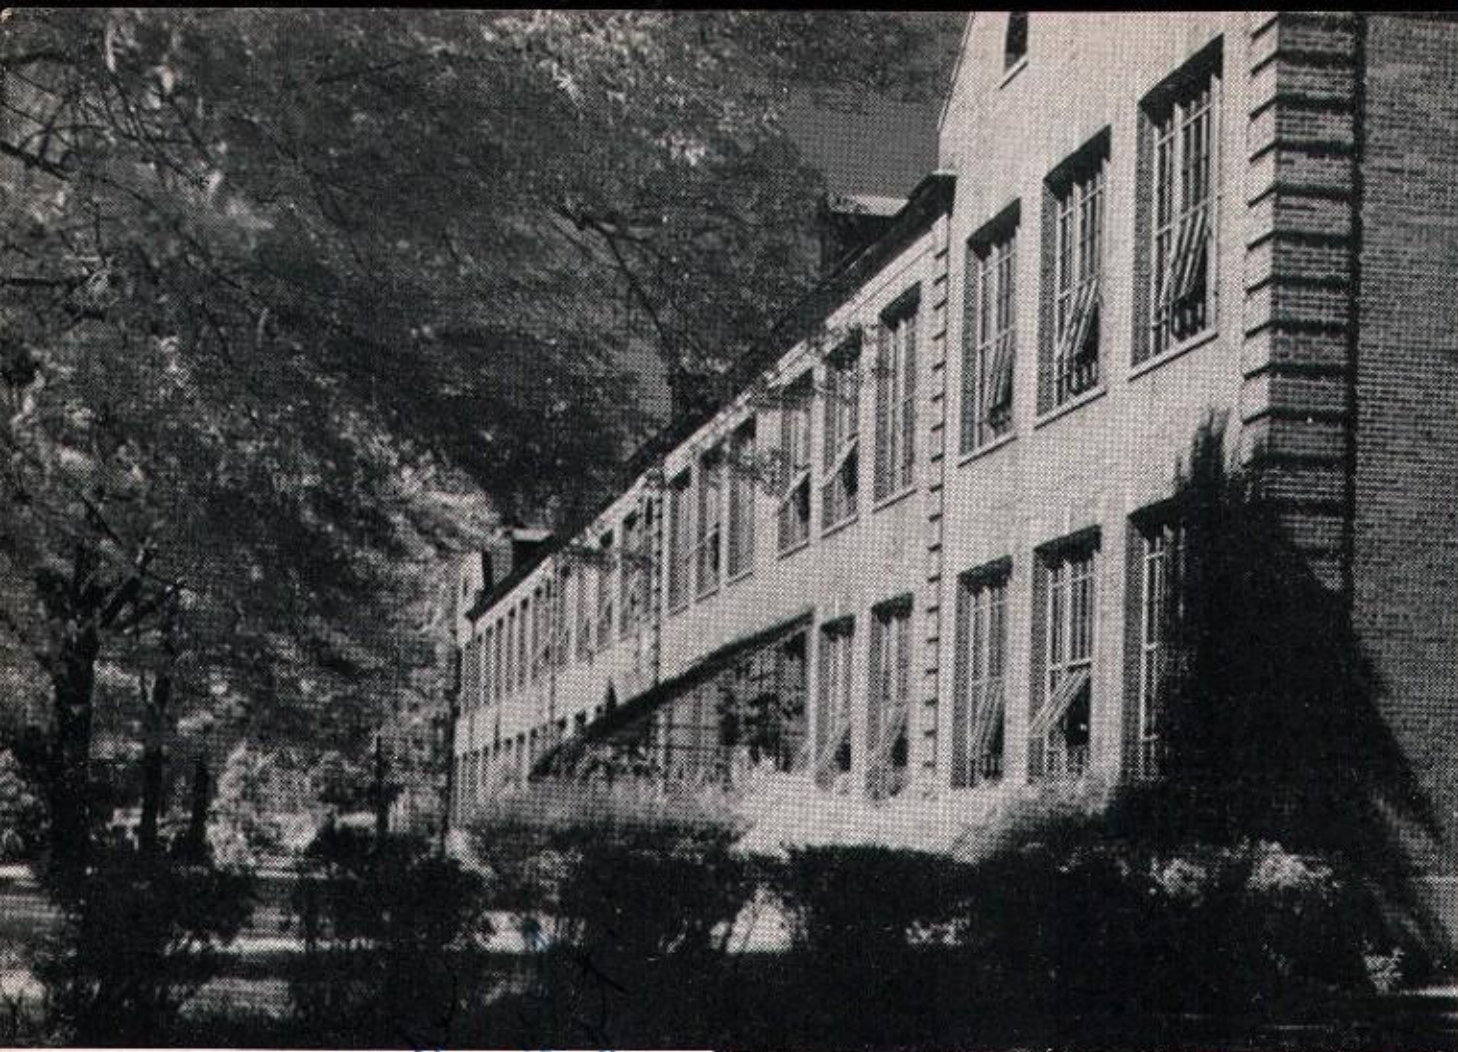

These colors and the noble qualities for which they stand, blend and form a vivid rainbow to guide our way down the road toward Immortality. To the fulfillment of these ideals, the yearbook staff dedicates this 1952 edition of the Pot O'Gold.

DEVILBISS: HER BRIGHT IDEALS AND COLORFUL LIFE

this fall. But now that it's coming to an end, I want to tell you how much I've enjoyed your friendship. I even enjoyed doing your English for you and letting you copy of my History paper. Summer vacation isn't very long but I know I'll miss you just the same. I won't have anyone to pestor me for something all summer. I wish you all the luck possible in your sorority life and with all your boyfriends. Next year we'll be juniors but I'm sure we can have as much fun

as we have had this year, and I'm sure we'll both be as crazy. Good luck again and have fun this summer.

"Born to the purple" describes those who are destined to be outstanding in their **service** to the people. For this reason it is an appropriate description for our faculty who have been most devoted in their teaching years at DeVilbiss. Their compensation comes from the satisfaction of seeing their students respond and progress under their academic teaching and extra-curricular guidance. We should like to give them their just recognition but we must be satisfied in expressing our appreciation for their enthusiastic and loyal devotion to the school and for their immeasurable service to us.

MERRITT C. NAUTS

"Daddy DeVilbiss" we might appropriately name him. As a father puts the welfare of his children before his personal interest, so, too, does our principal, Mr Merritt C. Nauts, conscientiously take personal concern in the education opportunities and activities offered to his students. His inspirational leadership, his pride in the students' individual achievements have been recognized as influences guiding our school life. We are indebted to him for his considerate and sincere efforts which have helped to make DeVilbiss what it is.

YOUR SERVICE HELPED US: THANK YOU

In the hearts of many DeVilbiss boys a touch of deep admiration lingers for one man, their friend and counselor. His sincerity and willingness to help them with personal problems has earned him profound respect by students and faculty alike. His job as dean keeps him ever busy, yet he is always patient even with the smallest of tasks. And it is through their association with Mr. Brown, that the boys of DeVilbiss realize that their lives have been enriched by his faith in them and by his fellowship. Through his fairness and consideration for others, he will continue to be an influential figure in school life. I ask you, does he not deserve all the praise you can give him? So, boys—hats off!—to the father of you all, Mr. Brown, Dean of Boys.

MILDRED A. PASCH

See you soon. Love

The girls of DeVilbiss, too, have a dean whose leadership guides them through their personal and academic problems. This is a responsible job which requires the wisdom, patience, and understanding that a woman in her capacity as a counsellor must maintain. Miss Pasch has to consider the problems of the girls, weigh them carefully, and with her calm and firm respected manner, help them in getting accustomed to the routine of school life by making adjustments. We value her for her quality to guide her girls with a progressive and satisfactory approach to these problems. With a feeling of responsibility for the well-being of DeVilbiss students, Miss Pasch has capably filled the most demanding position of Dean.

Climaxing the annual Magazine Drive was the old-fashioned melodrama, "He Ain't Done Right By Nell," starring several male members of our fun-loving faculty. Nell Vorderburg, the heroine, was ably assisted by an all-star cast of amateurs. The play, which was performed to reward all students selling their ten dollar quota of magazine subscriptions, had the audience roaring with laughter as they, thoroughly enjoying its foolishness, entered into the spirit of the comedy. Orchids to you, boys, and here's hoping next year's production will be half the hit!

To commemorate the 20th Anniversary of the founding of DeVilbiss, a reception and birthday party was held at the Commodore Perry Hotel. Featured speakers on the program were Mr. Nauts, Principal; Mr. Bowsher, Superintendent; Mr. Grove Patterson, Editor. Miss Bloom gave an impressive candlelight ceremony before the two hundred guests, recognizing the loyalty of those who have served the school. Congratulations to Mrs. Jeannette Brand's Social Committee for their work in planning this gala event.

Now for the human side of the news. Sometimes we think of our teachers as "classroom tyrants," but they really aren't, for they participate wholeheartedly in student activities by attending school dances, parties, dramatic productions, and by being advisors to our numerous social organizations. They accompany students on field, class, and out-of-town trips. Remember that they enthusiastically support these activities so that we may have pleasure, and that they, too, enjoy moments of fun and laughter.

TEACHERS TAKE TIME OUT FOR FUN

LUKENS FILMS "DEVILBISS DIARY"

A 20th anniversary documentary film of our high school has been completed. This color cinema depicts the three-fold purpose of our educational program: to develop all students mentally, physically, and socially. This unique project was directed by Helen Marie Griffin and photographed by Ruth Lukens. LaVerne Alexander handled the lighting technicalities. The film, dedicated to Merritt C. Nauts, Principal, gives the community a pictorial review of education at work inside the halls of DeVilbiss.

Her twenty years of faithful service for DeVilbiss will long be remembered by the hundreds of students with whom she came in contact.

RETIRED TEACHERS

Mr. Ralph O. Merrill, a teacher of Electricity and Radio, left DeVilbiss this year to retire. His quiet personality and cooperativeness with the students, faculty, or those who needed his help, was always given generously. His willingness to be of service to others and to the school; his classroom efficiency; his friendly "Hello" were several of his admirable characteristics.

The Freshman is indispensable—the colorful, exuberant individual in any school. At first he is green to his surroundings, his teachers, the school's activity, but he begins to **grow** rapidly. Through guidance of homeroom teachers he participates in Freshman athletics, Student Council, and other fields open to him. The awareness of his school's motto, "The End Depends upon the Beginning," stimulates his ever-widening participation as he attacks his studies and assumes his duties with vigor. To those who are not acquainted with this neophyte—he eats, plays, studies, works, and hopes to become a Sophomore.

FRESHMEN BEGIN THEIR GROWTH

"Green is for growth." With this thought in mind the energetic Class of '55, in its first year, has set a rapid pace for the remainder of its days at DeVilbiss. The class has penetrated every aspect of school life with bubbling enthusiasm so typical of Freshmen.

As early as the first quarter the "Frosh" gained recognition by capturing the lead on the Honor Roll and winning Libbey Scholarships. All agree that it was they who pushed the school over its fifteen-thousand-dollar goal in the Magazine Drive. The class put its talents in Revelries and DeViltries and its athletes on the school's teams. Loyal spectators at football and basketball games, the Freshmen sparked the cheering section.

Under the excellent guidance of their advisers, Miss Ursula Schmit and Mr. Russell Brown, the Freshmen got together with their Sophomore brothers and gave nine very successful Froshmore parties. The highlights of every one of these parties were the highly entertaining variety shows staged by members of the two classes.

By the time the Pot o' Gold is in the hands of its purchasers, these green Freshmen will be thoroughly initiated into the ways of the school and will be well on their way to recognition.

Cheer up! This Froshmore tournament isn't that important.

The Sophomore is a **wise** and confident individual for the experience of one year at DeVilbiss has seemingly dispelled all his ignorance. No longer one of the green newcomers, he is maturing to a rich yellow. A Sophomore has no need to study in the evening, for he has learned how much easier it is to do geometry on a radiator at 8:30 A.M. He is, perhaps, the only person in school being neither conceited nor illiterate. (Just ask him—he'll be glad to verify this.) The only thing that this Sophomore cannot understand is why the upperclassman smiles each time he freely gives his advice to hopelessly immature Freshmen.

SOPHOMORES

Dear Nancy,

We really had a great summer last year. I hope this summer will be just as great. I think it will. You're really a wonderful friend. I hope you will always be as sweet & understanding as you are now. I can never thank you enough for all the things you did for me last summer. I hope you won't stay home so much any more & come on out & join the parties. We really would like to have you.

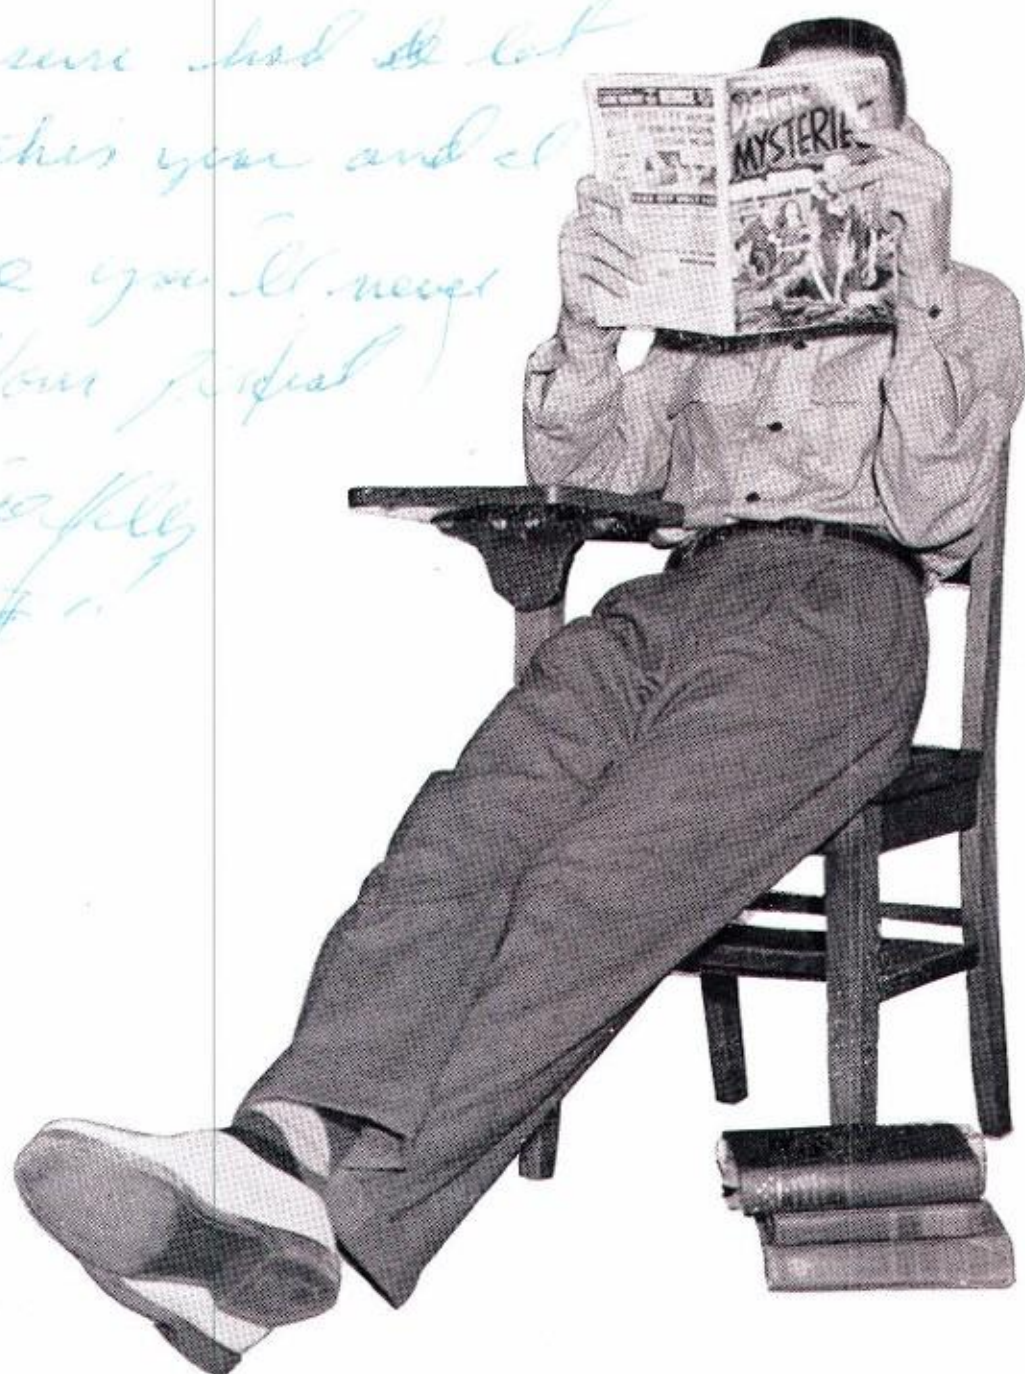

Love,

Luxie Spies

Dear Nancy,

We sure had a lot of fun this year and I hope you'll never change (Love, Rex)

SOPHOMORES GROW ALL-WISE

At the beginning of each year a group of students is seen, still a little green, but determined to find a place for themselves. This year was no exception and when the opening day of school came, we, the Sophomores, came with it ready to help everyone; and ready to be helped. We assisted the Freshman Class in getting socially orientated by forming a joint social group—the Froshmores. In the Froshmores we renewed old acquaintances as we made new friends in the two classes.

We had our elections and chose competent leaders. Jack Davidson was elected President; Claudia Grover, Vice-President; Gayla Fuller, Treasurer; and Janice Stroup, Secretary.

As we had no activities of our own other than the Froshmore parties, we supported the dances and plays of the Juniors and Seniors, dreaming of the day when they would be our dances and our plays. We all joined clubs to become acquainted with the upperclassmen. Our talent was used in the DeViltres; A'Capella claimed some of our voices; those of us who were interested in publications worked on the Pot O' Gold and Prism staffs; we applied for positions on Commissions, Committees, Night Relays. All this participation in our beginning years, we realize, is a necessary prelude to more active school and class service in the next two years.

Looking ahead with wisdom and foresight we chose Miss Mildred Schmidt and Mr. Tom Inman as our advisers to help us plan our future activities. These days have been memorable ones for the Sophomores. We have gained much wisdom and are closer to receiving that diploma.

Miss Mildred Schmidt and Mr. Tom Inman.

SOPHOMORE ADVISERS

In our Freshman year each of us was under the guidance of his homeroom teacher. This year with our supreme knowledge and wisdom we chose as our class advisers two of these Homeroom Teachers—Miss Mildred Schmidt and Mr. Tom Inman. We have had the experience of working with them in Freshmore projects and can look ahead to the time when they will guide us in our Junior activities and later in our Senior dances, plays, teas, and banquets.

Each year we will elect four class officers who with our advisers will see us through our years of high school. These advisers will work with us to make every one of our class affairs a success.

Miss Schmidt, who has taught Biology since she came to DeVilbiss, has found time to advise many clubs and has had experience as a class adviser in past years. With her ever-ready enthusiasm and friendly guidance our class is assured of a fine record.

Mr. Inman came to DeVilbiss three years ago. As a football coach and lightweight-basketball coach he has been busy but he has always cheerfully helped us with our problems.

Glancing at the past only once, we are ready to accept the responsibility of being upperclassmen. With the help of these wonderful advisers our class is sure of leaving its mark on DeVilbiss.

Variety show at the Froshmore Christmas Party;

Cleaning up after the party.

Mixing the green of the Freshman and the yellow of the Sophomore you have chartreuse. This vivid color has tinged all our Froshmore activities from our first dance in October to our last party in May.

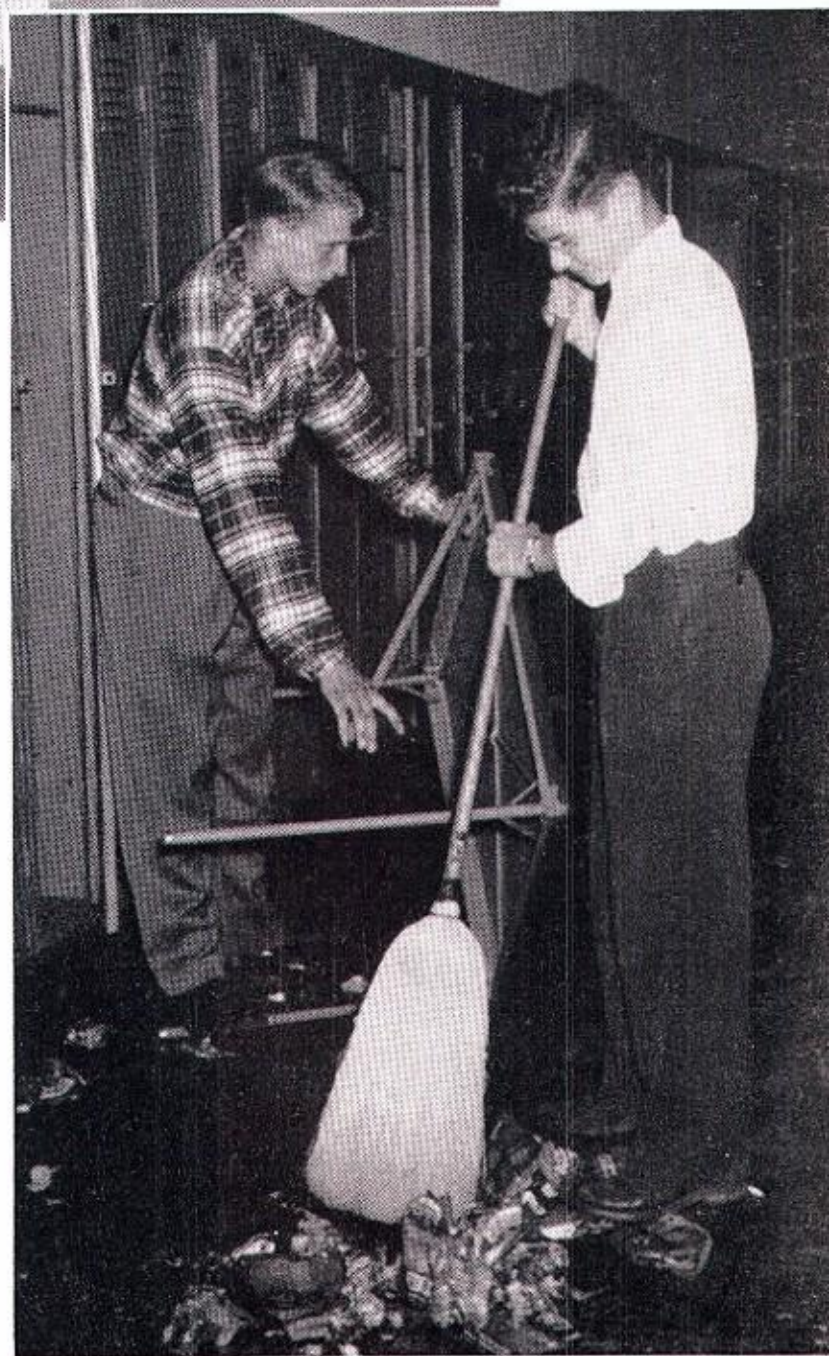

The "Fall Frolic" on October 4 was the first Froshmore get-together of the year. Here we became acquainted with each other and made new friends in the Freshman and Sophomore classes. On October 31 the spooks and goblins came to our Halloween party. November 21 was the date of the "Turkey Trot", a Thanksgiving dance. St. Nick himself attended our next party late in December and distributed gifts.

'52 brought another round of festive events. The blustery winter weather did not prevent our having an exceptionally cheery time at our Post-Holiday affair in January. "Will you be my Valentine?" must have been answered by a chorus of "Yeses" for everyone at the February 15th party seemed more than content in his choice. At the March party an original playlet was enjoyed by all the Froshmores present.

In April we had another party and on May 16 we said "Good by" until next year.

Special thanks to the Froshmore advisors, Miss Ursula Schmit and Mr. Brown, for making these parties so much fun, and to Miss Mildred Schmidt and Mr. Tom Inman, the Sophomore Class Advisors.

FROSHMORES

Penny reigns at the Southlan' Swing.

Blue is the color of loyalty as well as **beauty**. Juniors have begun to appreciate the loyalty of their fellow students, and they, with an increased sense of duty and service to the whole school program, have assumed many responsibilities. The freshness of their first year, and the brashness of their sophomore days left behind, they have suddenly found themselves more mature boys and girls orientated in the ways of the school. They are now a choice group tested by studies and tried by classroom and extra-curricular activities. Thus, for Juniors the skies are especially blue for they have achieved leadership in various areas, yet they still feel the comfortable security of another good year ahead at DeVilbiss.

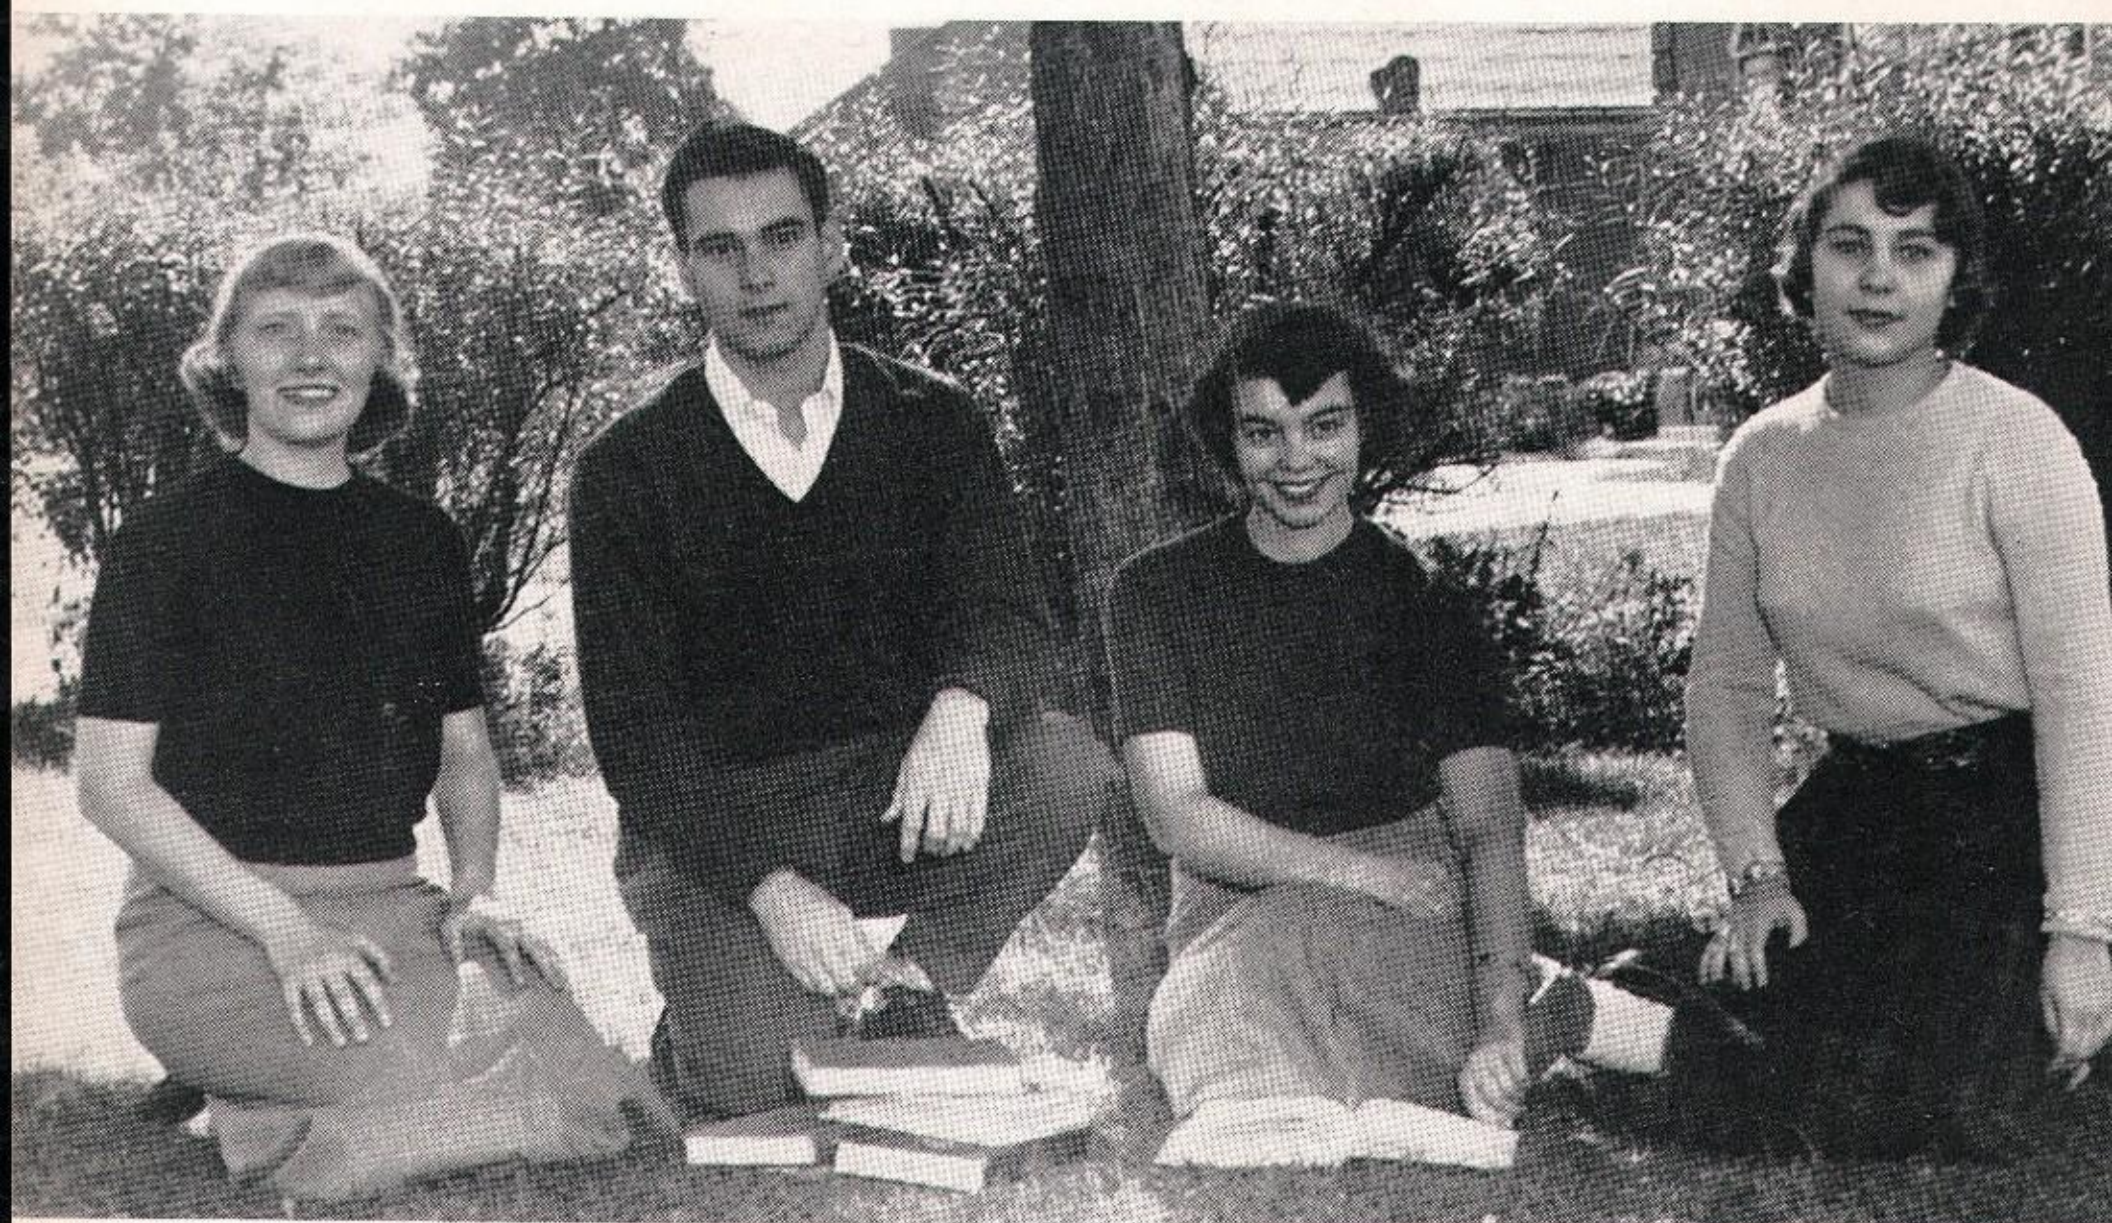

JUNIORS

Hi - Nan - Lou
I guess I haven't had as much
fun this as last. (with you that is).
Maybe we can have a party this
summer. Hope so! You a
good girl with that special
something that makes you
tremendous.

JUNIORS ACCEPT CHALLENGE OF D. H. S.

Early one certain September morning the Juniors awoke to the pale blue mist of anticipation of whatever lay over their particular beam of the rainbow. Knowing that Miss Dickey and Mr. Pollman were there to continue advising them in their usual friendly manner gave them confidence and assurance. By the time the pale mists had risen to reveal a beautiful azure in the heavens, the Juniors had elected Roger Power, President; Penny Meyers, Vice-President; Ruth Rowe, Secretary; Pat Stewart, Treasurer; and were well on their way to a successful year.

With the committees all appointed by the new officers, the whole vista of a beautiful year opened up before them with their first activity, the J-Hop, in February. The Juniors, supported by all the classes in the school, turned out in festive dress for this big dance. Ably chairmened and advised, the J-Hop set the pace for the trip up the rainbow trail. Blue is for boys they say, but blue was not the tone of the Boys' Mothers' Tea, for this was a gala event for Junior boys and their favorite gals.

As the blue of the sky is reflected in the waves of the ocean so the excitement of one student was reflected in the eyes of another as April and time for

the Washington Trip drew near. The trip itself far exceeded everyone's expectations and it was with a feeling of awe and humility that they witnessed the Tomb of the Unknown Soldier, The Lincoln Memorial, and the historic Capitol building itself. A great deal of sight-seeing and fun was crowded into a few short days which only served to whet the appetite for further visits to the focal point of our country.

The year would not be complete for Juniors if they did not turn at least once to the blue of eye-shadow and footlights. Budding Thespians displayed their talents in the traditional Junior Play, offering entertainment most acceptable to its responsive audience. Although the occasion was one for the band to play the "Blues", the night the Juniors bade farewell to the Seniors at the Junior-Senior Dance, the occasion was a gay one. Every blue in the spectrum glowed this night as light feet danced down closer to the end of this year's rainbow.

The mists have all disappeared, the rainbow shines forth in all its splendor, the sky is a true heavenly blue as the Juniors reach the end of their third year in high school and stand ready to don the many-hued garb of their Senior year.

JUNIOR ADVISORS

In accepting the position of advising the Class of '53, Miss Fern Dickey and Mr. Norman Pollman have greatly helped with its success. They can always be depended upon for helpful advice, regardless of their other responsibilities.

They supervised the first big class assignment—the choosing of dates for the year's events and the naming of chairmen and committee members for these events—working with the class officers many hours after school to make careful selections. Their initial step was the consideration of those defeated candidates for class offices who were deserving and capable for chairmanships and committee personnel. Then, to get the Junior Homeroom Teachers into the swing of things, a different teacher was asked to advise each activity. Miss Ursula Schmit took over the J-Hop; Miss Marie Lerche advised the Boys' Mothers' Party; Miss Mildred Johnston directed the Senior Banquet Decorations Committee; Mrs. Margaret King handled Publicity; Miss Marie Stoll assisted with the Junior-Senior Farewell Dance; Miss Dickey and Mr. Pollman themselves supervised the Junior Play production.

By choosing the most effective of former methods of handling the organization of class activities and by initiating several new ones, Miss Dickey and Mr. Pollman have proved invaluable. With their continued assistance as Senior Class Advisers, this Junior Class should be tops next year.

JUNIOR COMMITTEES

The Junior Class looked forward to its third year at DeVilbiss with a lively interest. When committee chairmen and co-chairmen were chosen, the class knew it was headed for a good year as Juniors. Without such capable chairmen for the year's events, many of the activities would have lacked the sparkle and gayety that was theirs.

With the J-Hop, the color pattern of activities was set in a gay frame so that, when it was time for the Junior Play "A Broom for the Bride", it became a brilliant part of the whole fabric. Under glittering lights and to smooth music, Juniors said "Au Revoir" to the Seniors at the Junior-Senior Farewell Dance. In order that the Seniors might leave school in fine style, the committee paid careful attention to all the essential details for the Senior Banquet. Tucked into a busy year, was the big date the Junior Boys had with their mothers. They spared no expense or effort to show their "girls" a wonderful time at the Junior Boys' Mothers' Party.

The efforts of all of the committees would have been in vain were it not for two other splendid committees. The Finance Committee kept a careful vigil on all money matters. This necessary committee saw to the financial success of every Junior Class event and did it most ably. In order that all might know about the activities, the Publicity Committee used its many talents to publicize the events attractively and colorfully.

The senior play party after the show.

Often the Senior, about to conclude his high school career, wonders if his academic record or his contributions will be forgotten. The halls, the classrooms, the scenes of his activities, the friends—all assure him that his years here, like the rainbow, have left a lasting imprint. They have become an integral part of the school. As he has had many colorful experiences, so too have there been clouds of disappointment to briefly darken the picture. But now the Senior is prepared to receive his pot o' gold—graduation. Yes, he will remember DeVilbiss, and he will be remembered by DeVilbiss.

can't ever forget me. I'm going to miss
you terribly next year.

Love you,

P.D.

Don't forget to write me.

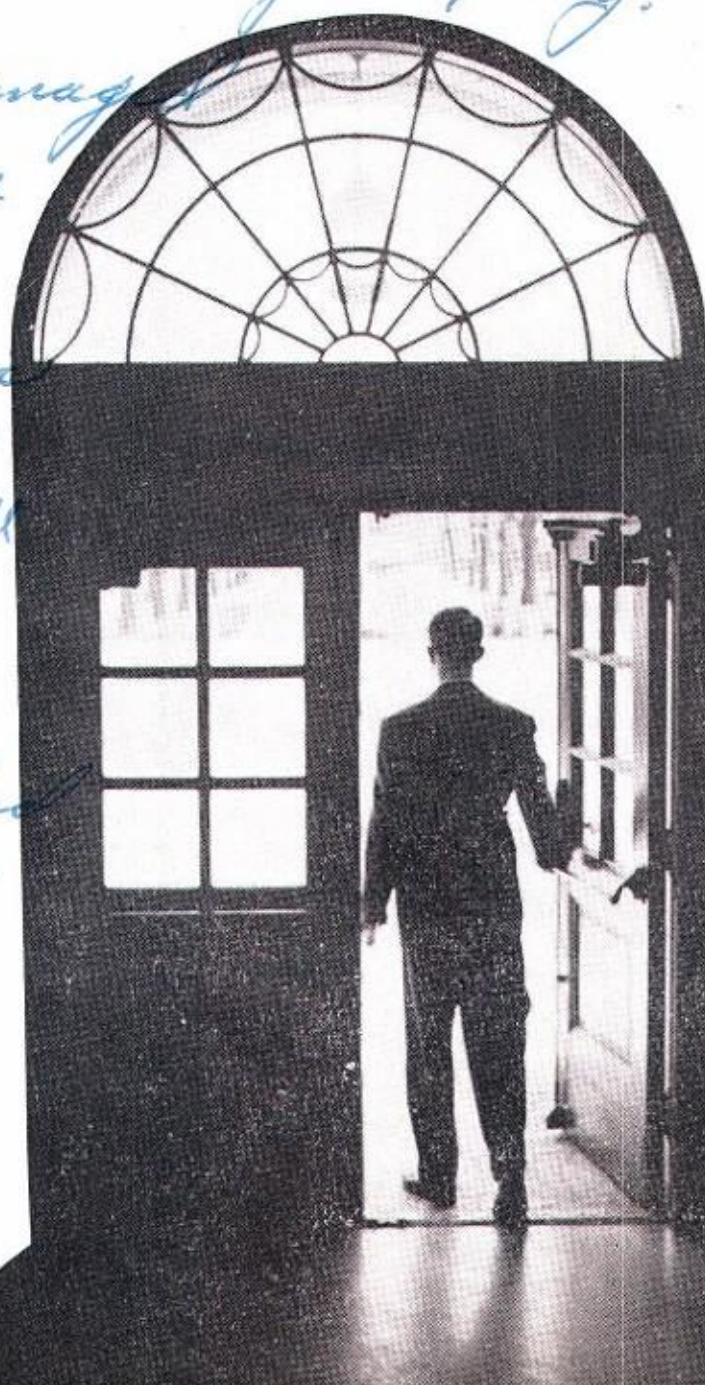

SENIORS

Dear Nancy,

Well the time has finally
come for me to walk out the
door of old O. H. S., and with me
goes many memories of all the
great times I have had. The most
out standing of those experiences are
the small times I have had with
you at the end of my Senior year.
I'll never be able to forget (not that
I'll ever want to) some of those
riotous dates we have had together at
drive-ins and dances and so on. You
don't know just how lucky, honey,
I feel to have found a sweet
little baby as you are. It isn't
easy to find a girl like you Nancy.
How you ever managed
to put up with me
and my terribly
corny sense of humor
I'll never know,
but I owe you all
the thanks in

the world for it.

I don't think I've ever asked
a favor of you before Nancy but
I'm going to ask two of you ~~two~~
now. First, please don't ever
change from the way you are
now, and second, and most
important of all, please

Mary Taylor, Treasurer; Dave Dye, President; Pat McGuire, Secretary; Charlotte Slevin, Vice President.

SENIORS COMPLETE PREPARATION

In September, 1948, when the four hundred bewildered and awe-struck freshmen who make up the class of 1952 entered the halls of DeVilbiss, few of us realized how soon we would arrive at the other end of our rainbow—Graduation.

In September, 1951, however, this same class was no longer confused, but brimming over with the energy, drive, and self-assurance gained from three years of experiences. During our Freshman, Sophomore, and Junior years we had acquired Honor, Truthfulness, Wisdom, Growth, and Beauty—all of which are symbolized by the rainbow colors of DeVilbiss. Individually, we tried the varied activities offered and selected those which most interested us. As a class we had become well co-ordinated with the class spirit so necessary to make all projects successful.

With the realization that this was our year to shine, we opened with flying colors in spirited class elections. Before we had a chance to catch our breath, the halls were filled with the bustling activity of class committee selections. The "Varsity Drag", the annual post-Turkey-Day dance honoring the letter men, was a great success. "The Man Who Came to Dinner", this year's senior play, lived up to everyone's expectations of a polished performance.

The Senior Mid-Winter Dance, "Manhattan Moods", took away the bitter taste of first semester exams. The senior girls had the rare opportunity of

having a date with their best "beaux" at the "Dads' and Daughters' Date". Not to be out-done, the boys entertained lavishly at the "Fathers' and Sons' Banquet." The girls climaxed with the ever-popular "Mothers' Tea".

When a person reminisces, the Senior Prom is perhaps the most nostalgic of all memories. As the girls whirled around the floor with those special dates, it seemed as if a rainbow indeed had found its way into the ballroom. From the gaiety of the prom we turn the page of our memory book and are once again at the impressive Baccalaureate service. The Senior Banquet where the class of '52 came together socially as a group for the last time was most festive. The great moment of any student's high school life arrived with Graduation. On this day the happy remembrances and friendships of four years brought a touch of poignant sadness to the long-anticipated experience.

As every senior looks ahead to new horizons, each with his own conception of what the future holds in store for him, he would like to express his sincere appreciation to his DeVilbiss teachers who have given him the foundation with which to attain his goal. We especially thank our class advisers, Miss Ruth Lukens and Mr. Dave Hardy, whose tireless support and contagious enthusiasm have made this year the full and eventful one that it was. They have helped us to find our rainbow's "Pot of Gold".

SENIOR COMMITTEES

"Gather 'round, Seniors, and ye shall hear, of the things that made this a successful year."

Yes, thinking back, this past year has been something to remember. The clubs we participated in, that wonderful DeViltries, our fine Student Council, plus all the other activities which have proved to be so much fun, have all blended into one perfect rainbow.

However, there is one thing that can never be omitted. Without class committees and the hard-working students behind them, no school year would be complete. Who will ever forget our play—"The Man Who Came to Dinner", the successful Varsity Drag, Baccalaureate, Graduation?

As we all know these fine events don't just happen. Behind the laughter, gaiety, and success are many hours of hard work, worry, thought, and fretting over last minute details. To serve your class is a most demanding job. Many fail to grasp this fact and do not think of the numerous duties and responsibilities which accompany these positions. One can generally recognize committee people when they scurry by in the halls. They are the preoccupied ones who always accomplish more than you would think possible. Before and after school they are here planning and checking to perfect our ventures.

Truly, we give our most sincere congratulations to our excellent chairmen and their committees. Out of the confusion there always emerged an event so successful that we're sure it could never be topped.

SENIOR ACTIVITIES

A colorful whirl of fun has been the lot of the class of '52. It's the many hours spent by seniors in plotting, organizing and enjoying the annual class events that do so much to enrich our school experience.

Let's look back at the versatility which characterized the year. The "Varsity Drag!" Can't you see it now—the decorations and mellow music in honor of the "D" boys.

"All the world's a stage . . ." Learning lines, hunting props, and planning costumes for "The Man Who Came to Dinner" seemed one endless stage to those who spent every day after school. Then in one night the rampant ragings of "Sherry" and the hectic romance of "Bert" and "Maggie" became just a nostalgic memory.

Evidence that older and younger generations can have good times together came with the "Dads' and Daughters' Date". At the "Fathers'

and Sons' Banquet" a chicken dinner plus unrationed entertainment combined to make a to-be-remembered evening.

On Easter Sunday two hundred seniors packed their bags and gathered at the station to entrain for New York. Never have four days been so crowded with experiences.

No matter how many dances one may attend, nothing could equal the Senior Prom. The soft music and girls in pastel formals left one with a feeling that can be appreciated only by experience.

Absorbed by the impressive Baccalaureate, we realized that we were at the end of our high school days. Although we anticipate the years ahead there is a sense of regret for the carefree past.

On the day of graduation we traded four years of education, fun, and service for a diploma.

▶ SENIOR CLASS ADVISERS

This June will end our high school careers, but the memories of these years will forever remain a colorful blend of experiences. The guidance and aid in our activities has come from two members of the faculty who have truly been friends as well as advisers—Miss Ruth Lukens and Mr. Dave Hardy. We could always depend on their cheerful assistance and the advisership of various Senior Home Room Teachers to make this year a complete and happy one. As the year progressed we became increasingly aware of the energy and understanding with which they undertook the responsibilities vested in them. The spontaneous enthusiasm of the committees and the invariable success of carefully laid plans is indisputable proof of their inspiring leadership. In this small space, it is impossible to express all the appreciation that is so well deserved. All we can hope to do is to let them know that they will hold a special place in every senior's heart for the memorable job they have so willingly done.

It was moved, seconded, and carried that the Jr. Hi-Y have a hay-ride.

Extra-curricular activities add spice to school life. They provide a training ground for work and play—accomplishing something and having fun simultaneously. Since **truth** is essential so that all may work together wholeheartedly for the school, we have let its symbolizing color, orange, represent extra-curricular activities. That this orange is a caution sign we must recognize so that these activities are kept in balance, becoming only one phase of school life. We like to think that this hue represents the beckoning flame of achievement.

STUDENT GOVERNMENT

Before school started in September, President Moore, called a meeting of the commissioners. This brought the nucleus of the Student Council together, and we began to think about the approaching school year. It was to be the twenty-first year for DeVilbiss; we were coming of age. So we adopted a theme for the year toward which all efforts would be directed, one which would make the twenty-first year the greatest ever seen at our school. We adopted a motto: "Make Year 21 **The One**".

Our goal was set; we went to work. Anne Fowler arranged to have the motto printed in every Prism. Marlene Hazle and John Fackler pushed the magazine drive over \$15,000, an all time high. In the hands of Marilyn Britton, the semi-annual Revelries hit a new peak in attendance. Joanne Herrnstein broke all records in the sale of savings stamps, while Judy Miller was responsible for the chartering of 42 clubs. Dick Emch and Brad Greenberg performed well the difficult tasks of keeping order and administering justice. Don Barnby arranged for the recording of our school songs. And that indomitable school spirit which swept DeVilbiss onto its feet this year was largely due to the excellent publicity done by Joan Bishop, and the whoppin' good mass meetings set up by Joe Gillis. Let's not forget to recognize Jim Henry's great intra-mural program, the wonderful job done in awards by Nancy Brown, and the efficiency of Kathleen Norris, Clerk of the Board.

Year twenty-one has truly been **the one**, and it'll take a lot of work to beat it. So go to it Juniors, we wish you the best of luck.

The Student Council has had a great year, and a lot of credit is due our president, Hal Moore. His enthusiasm and interest has not only led DeVilbiss through an eventful year, but also put the Area Student Council into the spotlight. Under Hal's leadership, Area Council, for the first time in its history, sponsored an all-city student dance.

We of the Student Council would like to express our whole-hearted appreciation to Mr. Robert E. Rettig for his advice and guidance. Under his supervision our ventures were made possible.

POT O' GOLD

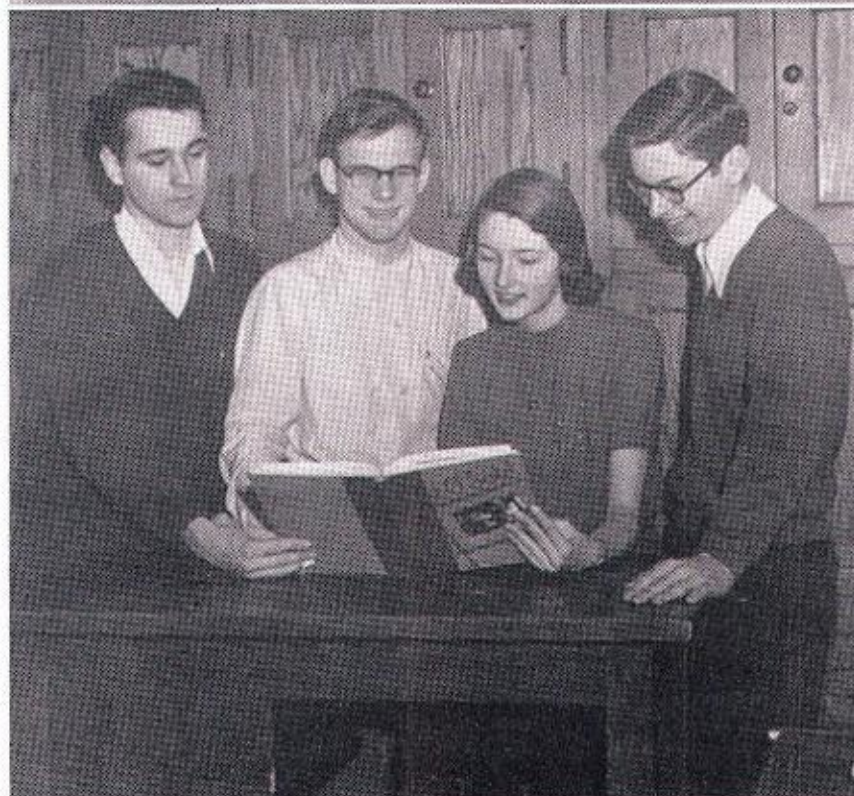

At the end of the rainbow is the pot of gold, and at one end of D.H.S. is room 164 where this Pot O' Gold is produced in secret. A curiosity to most students, room 164 is like home to the "Pot" Staff.

From early in the morning till late at night, we pore contentedly over our work. The typist sits shivering in the corner after hours trying to get the rest of the copy done. Our photographers, like true martyrs, confine themselves to the cramped quarters of our stuffy dark room in order to print pictures for the panel editor who moves drowsily over his work as he succumbs to the fumes of rubber cement. The circulation manager nibbles feebly at a peanut butter cookie as she goes over a stack of subscription cards. Huddled in a corner, the class editors mumble dizzily as they check, recheck, double-check, and re-double-check their lists of names. Tiring of this joyous life, some of us more serious staffers agree to go to the C.S.P.A. Convention in New York where we sit all day and take notes, and then go to bed early.

But of course we're always happy. When we feel the least bit low, we have but to look upon the wall where hangs our motto—"Stop Crying, Go To Work". It will never be known how much comfort this little bit of wisdom brings us as we combine the hues and colors of school life into a shining Pot O' Gold.

"The paper will go to the printer at twelve o'clock," blithely shouted Anne Fowler. Such was the oft repeated refrain heard echoing through 216. Then followed a last minute scramble to get copy ready for another issue of the Prism.

"Where's Mary Ella?" cries Joan Mercer who is trying to find another item for her feature story. Over in the corner Janet silently struggles to add fifty words to Spec Spots. Mary Stoll is trying to get up enough courage to tell Brad that there are three more ads. Joanne Herrnstein and Bill Long are working on make-up while Sam is lamenting the fact that the sports pictures didn't turn out.

Pat McGuire and Nancy Pollitt drop in to give us a financial report while the publicity chiefs Joe Gillis, Bill Huffer, and Mark Gallon probe around trying to find out what's to be in the next issue. About 12:15 Dave Nightingale madly rushes out of school, copy under arm and lunch in hand.

Actually, the Prism doesn't come to you merely by chance out of this mad chaos. It is the result of two weeks of labor by two competent staffs (literary and business) and an eager journalism class.

"Regit"

The nineteenth production of the DeVilbiss DeViltries, "Thank You, Call Again," has once again fulfilled the slogan of the "best ever." A Music Emporium of the 1900's and a Palace of Musical Arts and Drama of the present were the setting and background for the two-act plot. The cast, under the competent direction of Miss Frances Griffin, played five performances before appreciative and enthusiastic audiences. Introduced this year for the first time was the tiger mascot "Regit", who now becomes the official trademark of the DeViltries. This extravaganza could not have been staged without the cooperation and coordination of the committee chairmen, committee members, and faculty advisors.

Annually presented in March, this student talent production representing a phase of student life, is one of the many DeVilbiss experiences to be brought before parents and friends of the school.

MEMBERS OF CHOIR—Jane Bonner, Vernon Buckenbury, Carol Daugherty, Marcia Dresser, Don Dusseau, Nancy Dye, Stan Falor, Ron Ferris, Jack Fessler, Janie Fromer, Bob Garvin, Ingrid Gettum, Dianne Gibson, Nancy Gilliam, Mary Graybill, Neil Greene, Nancy Gross, Ray Gross, Marilyn Hall, Mary Kay Hall, Mary Henkel, Jim Henry, Pam Holly, Bob Johnson, Dave King, Nancy Kinney, Marilyn Kloppe, Shirley Lehr, Virginia Leonard, Dick Lindower, Arlene Lorber, Anne Lubin, Jim Lykins, Sue Marshall, Larry Mavis, Jim Miley, Meta Mogendorff, Larry Mull, Nancy Nigh, Don Olson, George Osbourne, Joanne Pazos, Carl Plumadore, Dick Ransier, Nancy Reighard, Joyce Ritenour, Roger Schnee, Dody Schroeder, Sue Shields, Helen Siemens, Charlene Smith, Dave Starkey, Mary Taylor, Angelo Theofanous, Bob Ward, Bob Williams, Gay Winterfield, Ernie Woeller.

A CAPELLA CHOIR

One thing that the DeVilbiss student will remember as long as he remembers any one of the athletic teams is our A Capella Choir. The A Capella Choir has always been one of the primary factors in the extension of DeVilbiss' renown throughout the nation. Many uninformed DeVilbiss students do not appreciate this fact.

The highlight of the 1951-1952 school year was their singing at the convention of secondary school principals in Cincinnati. Besides putting on a very impressive program at the meeting, the Choir members managed to do some sightseeing. Since the majority of the Choir members are not graduating this year, they look forward to another trip.

Again this year, A Capella sang in various school programs. Besides giving their annual fund-raising Midwinter and Spring Concerts, they sang "Birth of the Blues" in DeViltries.

This particular year in A Capella is singular because they are doing so many things for the first time. They sang on a Toledo Orchestra radio program, and participated in a Lion's Club party for the blind. Records to be sold to the students were made of all our school songs by A Capella. In order to remind posterity of its present fame, the Choir is starting a scrapbook of programs and press notices.

The first annual Alumni Banquet was held during Christmas vacation at the Toledo Women's Building. Former and active members of the Choir were invited. The committee in charge of this party consisted of Jane Bonner, Chairman; George Osbourne; Nancy Gross; Mary Taylor; Jim Henry; and Marilyn Hall.

Of course, the large part of A Capella's success can be attributed to one man, Mr. J. Philip Zaugg. Mr. Zaugg's patient understanding and imagination is always an asset to the Choir. He can be very proud of his work this year.

"BECAUSE OUR TEAM HAS GOT THE SPIRIT"

Cheerleaders

"Fight team! Fight team! We will never yield!" So chant our limber, loyal, and lively cheerleaders, ever present at mass meetings and games to lead the cheering. With a yell on their lips and a song in their hearts they have shown their faith in DeVilbiss.

Majorettes

Following close on the heels of our drum majors are our eight majorettes whose costumes display the rainbow colors of DeVilbiss. These fair damsels, the center of attraction between halves, add color to the field with their dance routines and high-stepping.

Band

Under the direction of Mr. J. Phillip Zaugg, the band showed marked improvement this year. After the glory of the football season faded, a group of gay musicians raised hopes and cheers at the basketball games. Applause to you, band, for your fine work!

Marilyn Hahn, Vice President; **Sue Starkey**, President; **Shirley Black**, Secretary-Treasurer.

INTER-CLUB COUNCIL

The Inter-Club Council, consisting of one member from every chartered school club, works out club problems, the organizing and advising of new clubs, and the giving to each other ideas for new projects.

During this past year we have had two big social projects. The first, entitled "March Madness", was an excellent dance given by the members and their clubs. The second was our annual Inter-Club banquet, given in honor of the Inter-Club Council Representatives, the presidents of the clubs, and their advisers.

Another important activity was the judging of the Christmas decorations and the awarding of the "Little Brown Jug" to the Zetaethan Literary Society for its prize-winning decoration of the North stairway by the auditorium. Each club did a wonderful job in creating a Christmas spirit in the school.

Our officers this year were Sue Starkey, President; Marilyn Hahn, Vice-President; and Shirley Black, Secretary-Treasurer. Mr. Rettig, adviser, and Judy Miller, the Commissioner of Organizations, played an important part in making the Council a big success.

The Zetalethean Literary Society has completed many activities this year, the most outstanding of which were: a Christmas party for the patients of the Crippled Children's Home, a tea in May to honor mothers and last, but certainly not least, a farewell banquet for our seniors.

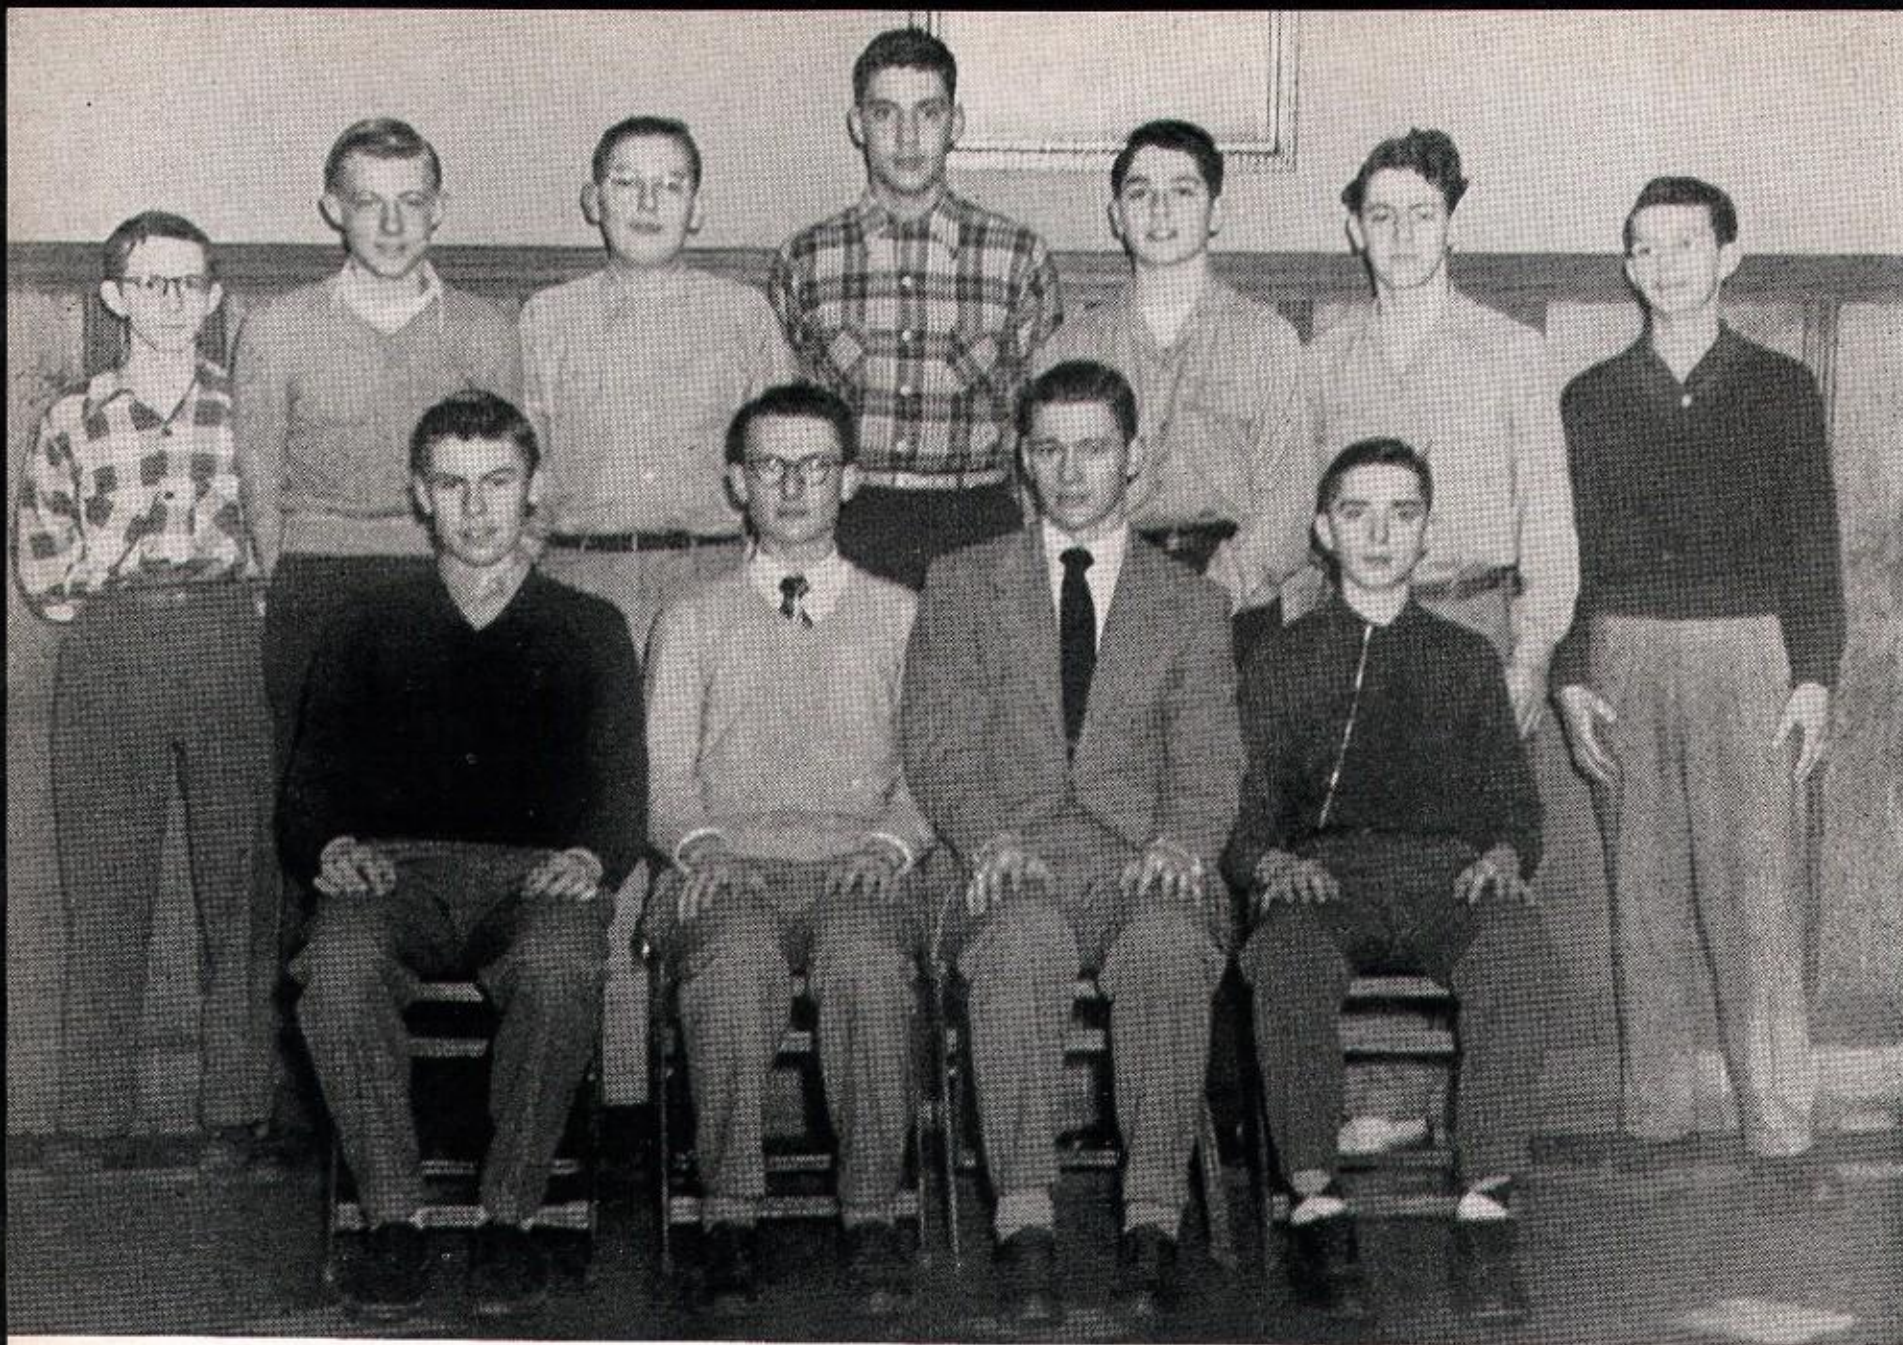

Our Christmas decorations reaped a notable reward, for, under the capable direction of Joyce Smith, we won the Little Brown Jug award.

As an innovation in club procedure, we elected a chaplain and an historian this year, and held a mid-year initiation for several new girls. Our advisers, Miss Leah Schueren and Miss Marjorie Warner, and our capable officers—President, Dianne Gibson; Vice-President, Sally Brigham; Corresponding Secretary, Shirley Froom; Recording Secretary, Shirley Boehringer; Historian, Joyce Smith; Chaplain, Clara Snead; Inter-Club Council Representative, Carol Downs—have given us splendid co-operation and assistance for which we are most grateful.

Since our motto is "Nothing Without Work," we aspire to live up to it, and all felt that we have completed the year with success and recognition.

The Sophomore Hi-Y had a very successful year under the leadership of our President Jim Herman. Bob Brigham was elected Vice-President; Lawrence Mull, Treasurer; and Richard Duff, Secretary. "Chuck" Woodfill, our adviser, was an important factor in making this year a good one.

We had many fine social events including several stag parties and splash parties where we had fun playing games and swimming. All who attended the Hi-Y, Y-Teen weekend at Camp Storer had a lot of fun. At our meetings which were held every Thursday at the Central Y.M.C.A. we had many interesting speakers.

We also had an inspiring initiation ceremony at which six new members whom we trusted to live up to our purpose of creating, maintaining, and extending throughout the home, school, and community a high standard of Christian character were inducted. Preceding our initiation ceremony we held an initiation dinner which everyone enjoyed.

Last summer our President attended Camp Nelson Dodd where he learned how to conduct business meetings and received suggestions for programs, service projects, and money-making activities.

With the money we made selling pot holders and salt water taffy, we are planning to send next year's president to Camp Nelson Dodd as we did last year. We also plan to contribute some money to world service.

We feel that this year has been very successful but we are looking forward to having an even more eventful year next year as upper-classmen.

SOPH. HI-Y

The Junior Hi-Y, consisting of about twenty-five members, met every Thursday evening. Our meetings were led by President Sam Magee and Vice-President Roger Power, while Secretary Ted Stapleton read and kept the minutes. Our money was handled by our treasurer, Tom Ehni, and the devotions were led by Chaplain Roger Steinhauer.

Last summer we were represented at Camp Nelson Dodd in southern Ohio by Ted Stapleton and Roger Steinhauer. We also enthusiastically attended the spring and fall sessions of Hi-Y-Teen camp at Camp Storer in Michigan.

The service projects of the Hi-Y this year were the distribution of Community Chest pamphlets and red feathers and a party for the orphans of Toledo.

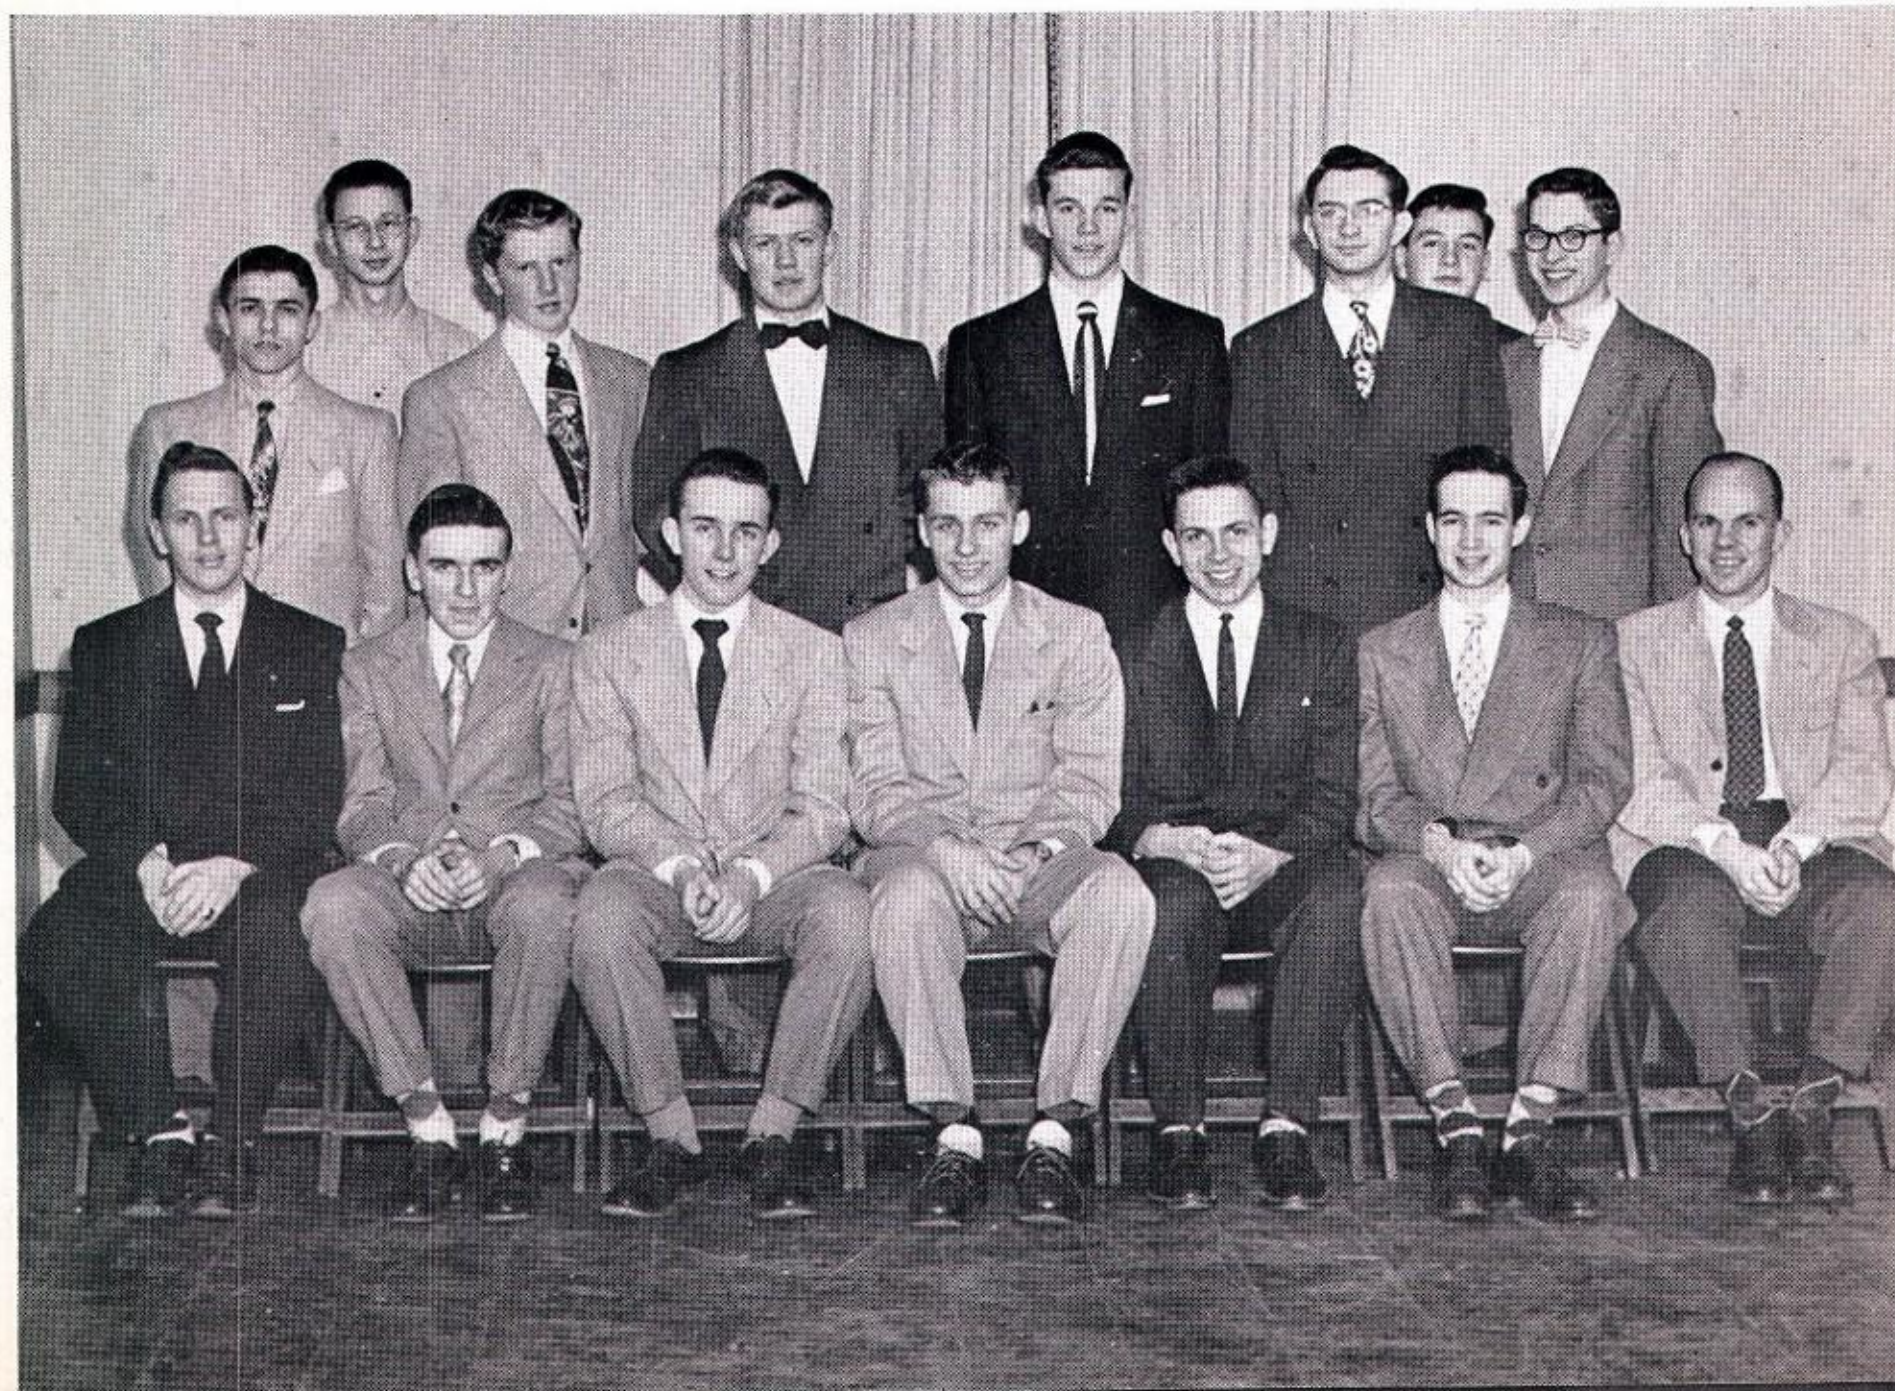

We were well represented in athletics with several boys on the football, cross-country, and track teams. Over the Christmas vacation our basketball team won the city Hi-Y championship.

We have taken several nights this year for swimming at the Central Y, and once this year went to the new Y.W.C.A. for a night of swimming, dancing, ping-pong and games with the Y-Teens.

This year as Juniors, we started to come into our own as upper-classmen. We hope we are able to better the things we have started this year and to become real leaders of the school in our final year of high school life.

As the end of four swiftly passing years draws near, we of the Senior Hi-Y who have traveled these years together know that they have been good years—profitable years.

Much of the success we have enjoyed during our stay has been due to the guiding hand of our adviser, Mr. Conrad, and the great interest and help that our general secretary, "Doc" Miller, has given us. They stood by us in every endeavor.

Our officers for the year were: Bill Billeau, President; John Fackler, Vice-President; Earl Sigg, Secretary; Hal Moore, Chaplain; and Inter-Club Council Representative, Mark Gallon.

For our activities this year we started off with a panel discussion in which the Y-Teens and four parents were invited to take part. This proved both interesting and beneficial. Afterward we enjoyed games together. We had a highly enlightening evening when a speaker from Alcoholics Anony-

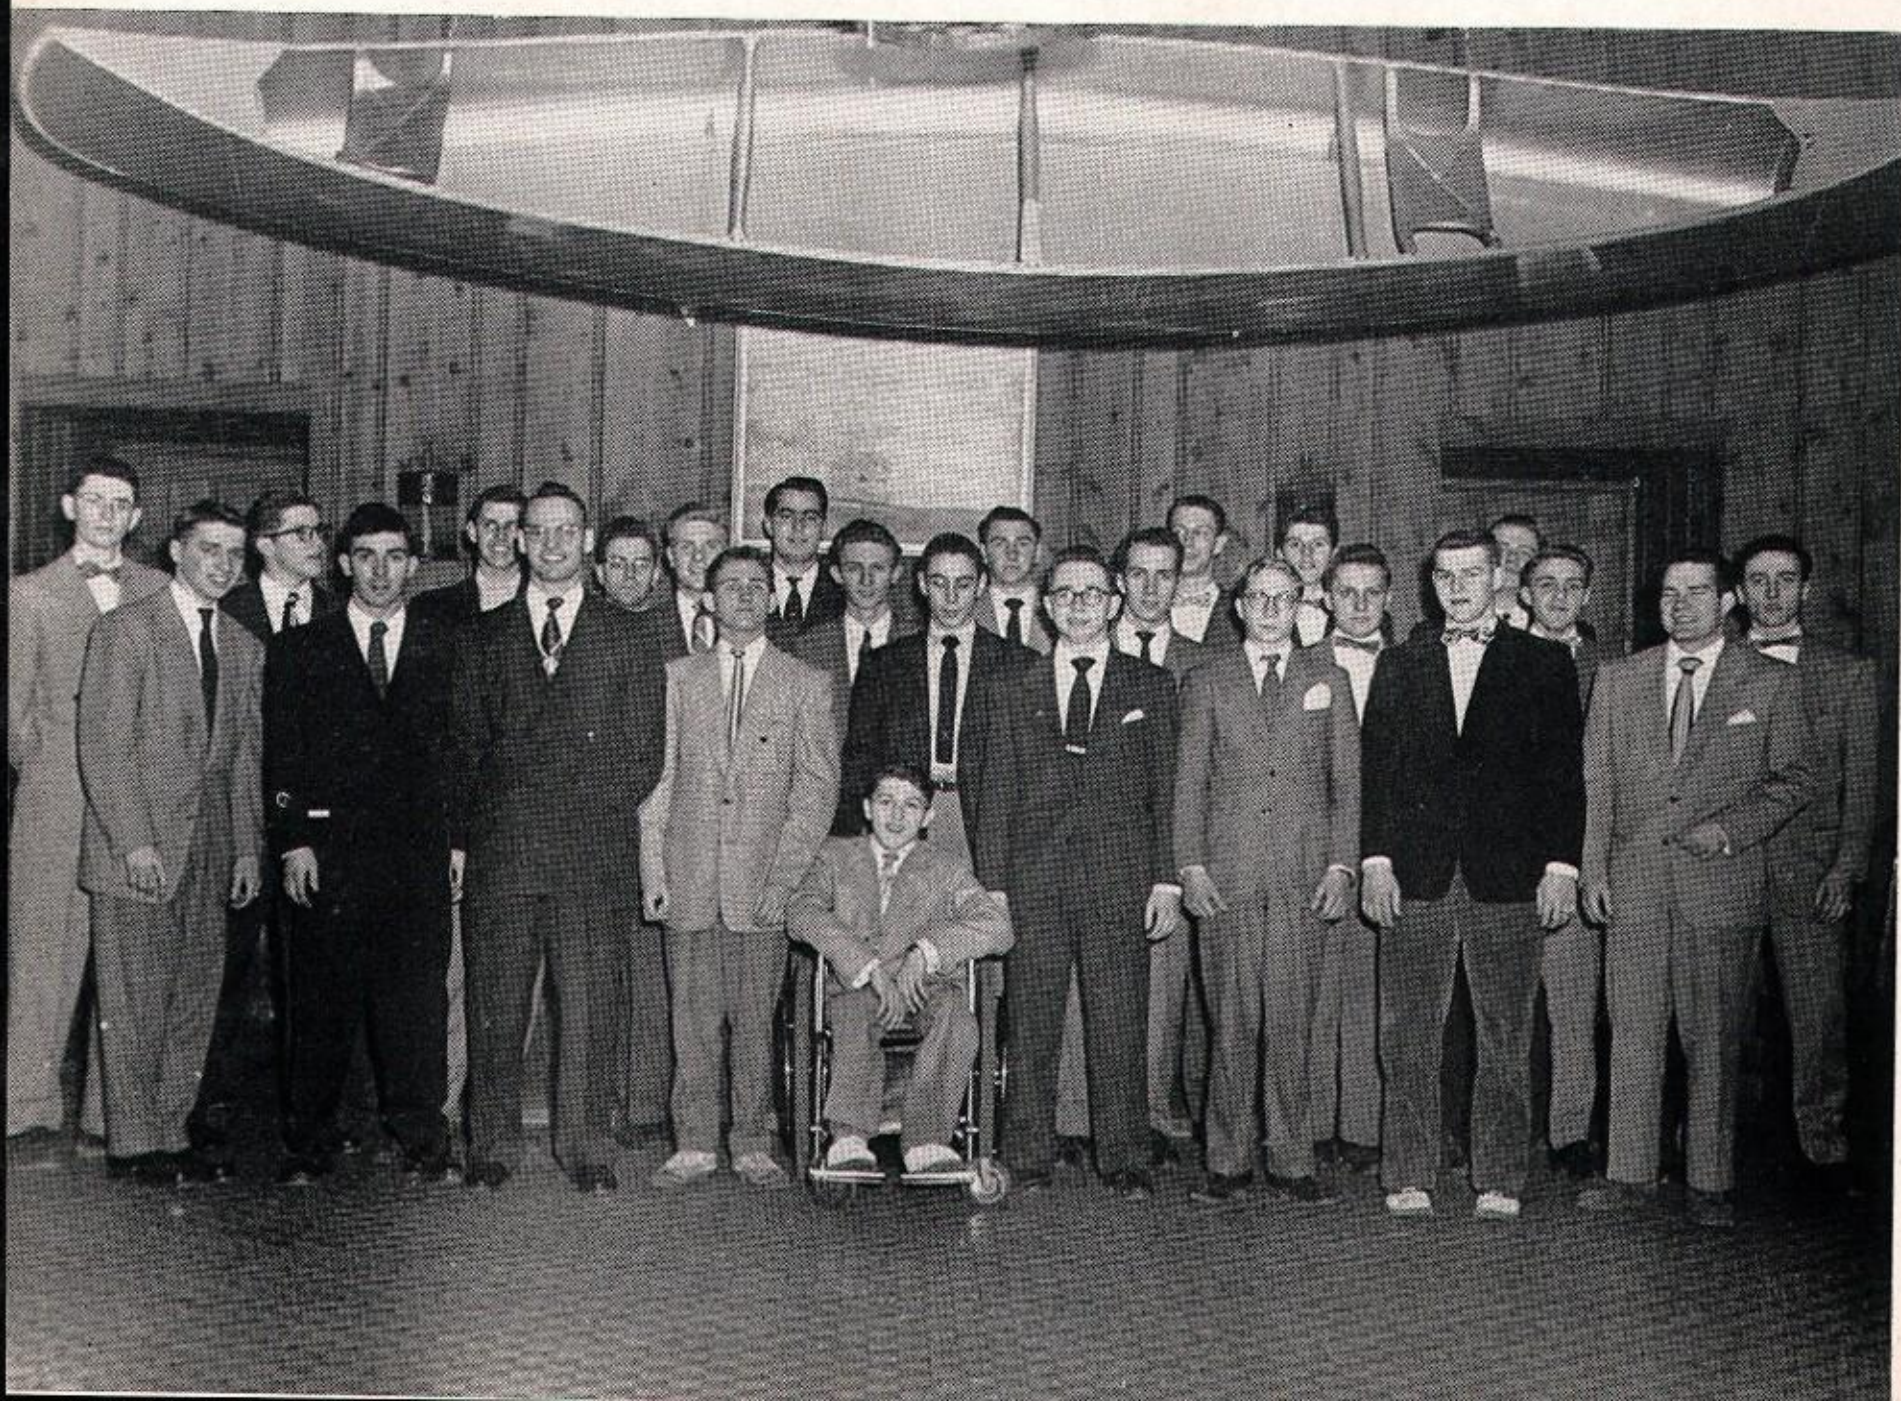

mous explained to us in vivid detail just what alcohol can really work in the human body and mind.

A hayride and a weiner roast was an affair which will be indelibly stamped on our memories because one of the members forgot, of all things, the weiners. Our basketball team met the DeVilbiss lightweights and won a great victory due to excellent playing of Don "Squirt" Flamond. We had the pleasure of starting a new program known as Youth in Government in Ohio. We sent delegates to Heidelberg College and some of them were chosen as representatives to go to Columbus to participate in taking over the affairs of government for two days.

Now each of us feels that we will have more strength and courage for the years ahead because we have endeavored in all our associations together to keep alive and better exemplify the hallowed purpose and high aim upon which our Hi-Y is founded and by which it is held together.

SOPHOMORE Y-TEENS

"Hey, What's the rush?"

"Why, don't you know? I'm going to the Sophomore Y-Teen meeting in room 253. We meet the first and third Monday of each month."

"Do you have fun at your meetings? I always thought Y-Teen meetings were dull."

"Why sure. Under the direction of President Kathy Knight's little hammer, we have many interesting programs. When Kathy is absent, our "Veep" Barbara Bick has charge. We had a roast at Barbara's house to get acquainted with the officers and new members."

"Well, who are the other officers?"

"Nancy Dye is our Secretary and Nancy Gamble takes care of our money. Connie McClure is our Sergeant-at-arms. We also have a Chaplain, Dorothy

Kreps, who leads us in prayer before and after each meeting. Then, of course, there is our comic, Mary Henkel, who gives us the Inter-Club Council's reports. We have a swell group leading us."

"Who are your advisers?"

"Miss Beatrice Louy and Mrs. Bick guide us very efficiently in our many activities."

"Do you have any social activities?"

"We have many activities such as dances or splash parties in the city, and often parties or camp weekends with the boys in the Hi-Y."

"This is getting interesting. Please tell me more."

"I haven't time now. I have to be there early. Why don't you come along? We would be glad to have you."

"Boy, I think I will. Let's go."

JUNIOR Y-TEENS

As Jackie Penney, President of Junior Y-Teens, shouts for the third time: "Will this meeting come to order!" each girl turns her head innocently to the front of the room. This is the usual procedure with which our meetings start with a few occasional yells for "quiet" throughout the meeting.

With the help of our advisers Miss Elizabeth Johnson and Miss Fern Dickey we have tried to live up to the code of the Y.W.C.A. This consists of growing in friendship with people of all races, religion, and nationalities, and growing in the knowledge and love of God.

We chose Jackie Penney to preside over the meetings and Mary Lou Schlieve to take over when Jackie couldn't be there. To record the minutes of the meetings we elected Janet Patton. "Bev" Kubitz was elected to keep track of our money. Nancy King was elected to be our Tele-

phone Chairman and Inter-Club Council Representative while Sharon Harmon as Sergeant-at-Arms tried to keep order. Our Chaplain, Donna Mull, opened each meeting with a prayer.

We began our activities with a demonstration from the Merle Norman Cosmetic Studios. Before Christmas we entertained our mothers with a tea in the library. One event which we all enjoyed was the Hi-Y, Y-Teen open house where we all met some nice fellows from other schools. We also enjoyed our hayride, a picture of which can be seen in this yearbook.

Our service projects were serving for a faculty tea and making tray favors for the State Hospital.

We know that this year has been full of worth while events which we all very much enjoyed and we hope that next year will be even better.

"Well, Charlotte Slevin, our Chaplain, it's about time you're getting here," said Marilyn Olsen, President. "You've been missing all the fun."

"All right you kids! We couldn't help it. But say, what are all you gals so interested in?"

"Oh," replied Cynthia Morgan, the secretary, "we're looking at Anne Lindsay's scrapbook of all the activities of Y-Teens this year. See here's a bid from the Soc Hop."

"That was the best thing we did," interrupted Nancy Brown.

"Now wait a minute! Remember that joint party with the Hi-Y? Oh, I'll never forget it," moaned Marilyn Lankenau.

"Snap out of it, Veep! You know you're just prejudiced. Seriously though, weren't all our projects neat? Our sending chocolates to the 'kids' of Japan and Bev Baz's hard work in starting the Freshmen Y-Teens."

"Our programs certainly have varied," piped up Barb Thomas. "One week we discussed 'peace' and the next we were at either a splash party or a pot luck."

"Speaking of food, how about that Y-Teen Senior Banquet?" commented Ann Jeffrey.

"You know what I liked was that Mothers' Tea," said LuAnn Thomson. "It was worth all our hard work."

"Now wait a minute," remarked Sue Marsteller, treasurer, "we don't do it all. Just think of all the time and effort Miss Samsen has devoted to us in all we've done our Junior and Senior years."

"It's sad to think of it, but this may be the last time we're together with graduation so soon. I've spent four terrific years at DeVilbiss. How about you?"

BRIDGE CLUB

The year 1951-52 was a successful one for the DeVilbiss Bridge Club for our membership nearly doubled itself from the previous year. While the beginners learn the game under Mrs. Florence Smith, Miss Samsen, and Miss Mildred Schmidt, our club advisers, the experienced players go ahead, but during the game you might have heard: "Miss Samsen, how do we figure this score?"

We held our meetings every second Wednesday in room 109 and every fourth Tuesday in a member's home. At a typical meeting, one might see Carole Demaline, our President, trying to conduct an orderly meeting during which Sheryl Shanks would read the minutes. Joanne Herrnstein gave the Treasurer's report, which was never too hard a job, as we were not plush with money, and Judy

Kitchen told us what happened at the last Inter-Club Council meeting.

Throughout the course of the year we have had parties and projects, consisting of filling a Red Cross box, under Pat Smith's supervision; making up tables for the P.T.A. Bridge Party; and decorating the stairway opposite 322 for Christmas. We did not win the Brown Jug, but we kept assuring Shari Schumaker, head decorator, that we all thought we had the best decorations. During the spring we had many enjoyable meetings after which hardly a person in the club wasn't a skilled player.

This has been our sixth year of chartered membership and we all feel we have had loads of good times and hope that next year will be as much fun. So here is to better bridge and a "Grand Slam."

The 1951-1952 DeVilbiss Chess Club held its meetings every Wednesday afternoon at 3:05 in Room 118. Our adviser is Mr. Voss, and our officers were Richard Baker, President; Don Harden, Vice-President and Inter-Club Council Representative; Gretchen Krieg, Secretary-Treasurer.

The Chess Club is noted not only for being one of the oldest organizations of this school, but also for having a short, snappy business meeting, after which we adjourn to play chess.

Our greatest asset in learning how to play chess is undoubtedly Mr. Voss. Often we have to ask him what move to make or when to play a certain man. Sometimes we even wonder how one person can remember so much about the game. Mr. Voss has really made playing chess a great game for us who are just starting to understand its principles.

We have regulation score pads for recording games. These are available to the members for pri-

vate or club use. Such recordings enable us to replay the game and discuss the different moves, thus teaching us to correct our mistakes.

We have a subscription to "Chess", an English publication that contains problems, famous games, and chess news from all parts of the world.

In previous years we have had a chess team that went to other schools to participate in matches with them. Although this year we did not have a team, next year we are looking forward to again having one. The top five players of the club will make up the team.

The game of chess is very old. Some people think chess to be extremely complicated and hard to learn, but really it is not a difficult game to play. On every meeting day our members have had an enjoyable afternoon of playing this great game.

Using the Bible as their foundation (the strongest of all foundations) the Christian Youth Club has completed another very successful year of activities. The club could very well be compared with a skyscraper. The club, like the skyscraper, constantly reaches upward seeking for the higher things.

Miss Hirth, the faculty adviser, serves as the cornerstone of this structure. Assisting her are Sara McDevitt, President; Paul Zeimer, Vice-President; Sharon Mayo, Secretary; and David Studer, Treasurer.

The steps, leading from level to level are probably the most important part of any large building. The meetings of this club are the steps. These meetings are held in the homes of its members. "The Book of Mark" served as the study material for this year's work.

The windows that let in the light are the social functions of the club. Early in the year Mr. Jim

Newman, WSPD announcer, showed the movie "God of Creation." A Valentine party was based on the theme "The Sealed Envelope." In April the club sponsored a "Chicken and Eggs" night. At this meeting Mr. Waldo Yeager, owner of Cortland Produce Company, was the special speaker.

The club also took part in the "Youth for Christ" activities. Some of these activities were bi-weekly meetings at the new Salvation Army auditorium, roller skating parties, and a formal banquet on New Year's Eve.

The twenty-six members of this club are the bricks that go into the building of this tall, erect, structure. This structure cannot stand unless every brick, continuing his own faith, strengthens the faith of those around him. So as long as this is done we will continue to have a Christian Youth Club at DeVilbiss.

FUTURE NURSES

The nurses club was organized in 1948 for girls who want to make nursing their career or for those who are interested in the field of nursing.

The club meets every other Monday. Discussions are held on nursing and problems relating to the profession.

To help broaden our understanding on nursing we have had several speakers. At one of these meetings, Miss Audry Blankerts, a city nurse, spoke to us about the various phases of nursing.

Under the leadership of Miss B. Faye Miller we have had a very successful year. Some of our projects undertaken were the guided tours through St. Vincent's and Mercy Hospitals, a weiner roast, and a splash party. At Christmas the group held a party at the Lucas County Infirmary. Entertainment

was furnished by the club members and afterwards we decorated the Christmas tree.

During the year we were invited to various hospitals for teas and tours. We received invitations from Flower, Toledo, Mercy, Riverside, and St. Vincent's. We were conducted throughout the hospitals by student nurses who explained to us just what their duties were.

The leaders of this organization included Diane Evans, President; Jan Stroup as Vice-President; Barbara Johnson, Secretary; and Shirley Alldredge, Treasurer.

We have had an interesting and enjoyable year and we are looking forward to our club activities again next year.

FUTURE TEACHERS

The Thomas A. DeVilbiss Chapter of the Future Teachers of America has spent another prosperous year of providing young people with information about opportunities in the various fields of education. We carried out this purpose in several different ways.

At many of our meetings a member gave a report on an article which she had read. A group discussion followed. By doing this, we were always learning new facts.

Miss Nancy Rettig, who is now teaching in a Toledo Public School, attended one of our meetings. She told us about some of her first teaching experiences, and also supplied us with information concerning several colleges.

During the year we attended many special events. A trip to Columbus was a highlight of the second

semester. Everyone profited from the meeting at which we met other future teachers, representing many other high schools.

Our faculty advisor, Miss Mildred Pasch, and our parent advisor, Mrs. H. B. Schrock, have contributed their time and efforts in helping us carry out our plans. We feel that our success has depended a great deal upon their guidance and the faithful leadership of our officers—Pat Schrock, President; Marilyn Olsen, Vice-President; Elsa Knight, Treasurer; Barbara Roth, Secretary; and Florence Roose, Inter-Club Council Representative.

Each member knows that this club has played an important part in her life. We all have the satisfaction of knowing that we are not entering the field of education without a full knowledge of its opportunities.

FUTURE BUSINESS LEADERS

This year the Future Business Leaders of America observed its second year as a local chapter of the National Future Business Leaders of America. The membership was limited to girls who were majoring in a business course.

Our leaders were: President, Shirley Koester, the first semester, and Pat Moulton, the second semester; Leah Mallory, Secretary; Janet Patton, Treasurer; and Carol Polsdorfer, Inter-Club Council Representative.

We started our projects of the year by compiling a questionnaire to find out how many people were not in clubs, and what clubs they would like to be in or what type of clubs they would like to have organized. Within our own club a new point system was set up. Points are given for services done for DeVilbiss, regular attendance, officers, mem-

bers of committees, chairmen of committees, and odd jobs. One of the most important events of the year in F.B.L.A. is our installation. This impressive ceremony initiates all new members and enables them to become active and eligible to hold an office. Included in the ceremony is a creed that all prospective members must memorize. It states the ideals that the girl will follow after she becomes a member. Every old member hopes to make it an installation that the new member will always remember.

Under the guidance of our faculty advisor, Mrs. Gertrude LeGron, and our parent advisors, Mrs. Howard Hughes and Mrs. George Knaugg, F.B.L.A. surely shows signs of being recognized as one of the outstanding service clubs of DeVilbiss.

LATIN

Keynoting an exceptionally active year for our Latin Club was a formal initiation of all plebeian members at the year's outset. This provided some forty members and initiates with a vivid picture of the club's many projects we were about to undertake.

We spearheaded the year's activities with an informal get together at Ottawa Park. A roast and jaunt to Betty Henderson's house enabled the group to get better acquainted.

For the Christmas holiday, we youthful Romans endeavored to decorate the small trophy case. Barbara Rittenhouse and her fine committee were often seen taping angels who preferred not to stay put.

During the meetings, a new type of discussion was introduced. "Buzz sessions", allowed the members to split up into little groups where they

might suggest and discuss plans and projects. These sessions proved very beneficial when the officers and advisors planned the year's activities.

Of course, the Roman Banquet again proved the year's ultimate highlight. It blended the various talents of all the members and came out a well-planned, entertaining, decorous and delicious concoction of student enterprise.

As guides for the terms, advisors, Mr. David Voss and Mr. Sam Emery lent their abilities to the group. Brad Greenberg reigned as President while the remaining officers were Vice-President, Betty Henderson; Secretary, Joan Mercer; Treasurer, Roger Power; Inter-Club Council Representative, Janet Peterson; and Historian, Barbara Rittenhouse. Our selections made possible a most successful and productive year for the Latin Club.

We, the members of La Alianza, the student Pan-American League in DeVilbiss, have enjoyed a very active year. Under the leadership of our advisers, Miss Marian Smith, and Mrs. Harold Kubitz; and our officers—President, Arthur Kunst; Vice-President, Joanne Herrnstein; Recording Secretary, Katherine Roose; Corresponding Secretary, Willa-thea Parlette; Treasurer, Stillman Brown; and Inter-Club Council Representative, Jim Henry—many programs were arranged to fulfill our purpose, to create an understanding and knowledge of our southern neighbors.

We opened our year's activities with a roast and canasta party. Next, we had a Christmas party where we sang Spanish Christmas carols and broke the traditional "pinata."

Our induction, held entirely in Spanish, took place in January in the school library. Here we formally accepted new members into the club.

We decided to use a different South American

country as a theme for each of our home meetings. As a result, we had some extremely enlightening programs on Chile, Brazil, and Mexico.

As a service to the school we were responsible for bringing an interesting speaker from Chile who helped to familiarize us with his country.

In April we celebrated Pan-American Day by putting on a fiesta for the school. A bit of Latin atmosphere was found in Toledo by our members when we attended Mexican plays and movies. Also, we learned more about our friends in the South by watching several travelogues. Through these activities we have really come to appreciate the friendliness and goodwill of our Spanish speaking neighbors below the border.

With grateful thanks to our advisers, all of us can say that we have concluded a year packed with educational projects and activities that we shall not soon forget.

The Charlemos Spanish Club consists of thirty girls who have completed at least one year of Spanish and are interested in furthering their knowledge and understanding of our Latin American neighbors. This club is headed by Marilyn Hahn; Vice-President is Nancy Zerman; Secretary is LuAnne Thompson; Treasurer is Nancy Miller; Sergeant-at-Arms is Marlene Lester. The advisers are Miss Ursula Schmit, a Spanish teacher at DeVilbiss, and Mrs. Sam Berman, a student of Spanish.

Charlemos meetings are held in the evenings on the first Wednesday of the month. They are either in a member's home or in the home of an adviser.

Entertainment is almost always provided by willing members. They usually put on a little skit, in either Spanish or English, which explains to the club a Spanish custom or habit. On a few occasions, guests have visited the meetings. One of them was Mrs. Candy Henry, a Spanish dancer, who danced for us and then talked on Latin America.

At Christmas time we had fun with a pinata, with a party we held at the children's orphanage and with the decorating of the main office for the "Little Brown Jug Contest."

Several other programs have made our year a bright one. These projects provided fun for all in the traditional Latin-American fiesta spirit and gave help to some of our needy neighbors. Thus we have helped to propitiate the "Good Neighbor" spirit.

SHARPS AND FLATS

As this year comes to a close, Sharps and Flats has made it one of music and merriment. We have worked hard toward our goal of spreading musical culture and appreciation in DeVilbiss.

Our members vary from piano virtuosos to ukelele enthusiasts and we enjoy listening to each other.

Our officers for this year were: Arthur Kunst, President; Marilyn Britton, Vice-President; Marilyn More, Secretary; Roger Steinhauer, Treasurer; and Willa Parlette, Inter-Club Council Representative. We could never have been so successful without our wonderful advisors, Mr. Russell Brown and Miss Elaine Hirth.

Highlights of the year's activities were the summer beach party, Christmas caroling, and our annual Parents' Tea in the spring. We not only went to concerts for our monthly activities, but attended productions like "The Tales of Hoffman", "Gentlemen Prefer Blondes", and the premiere of a contemporary operetta. We held meetings on the last Sunday of the month in the home of a member. At the annual Senior-Parents' Tea in the Art Museum, a musical year culminated in a fine program presented by the seniors for the members and their parents, followed by an hour of refreshment. In service to the school, we presented the musical program for an evening P.T.A. meeting.

In viewing our year, we may call it one of musical color and can say we now know and appreciate music a little more.

SCIENCE HONOR CLUB

The Science Honor Club which was organized in 1938, is an honor club consisting of A or B students who are taking General Science. Miss Mary Fischer, our adviser, chooses the students who are eligible for the club.

Our club, which meets every Wednesday in Room 208, chose Neil Greene to lead us through the year. He did a very good job in presiding. Our other officers included Sue Welling as Vice-President; Marion Ayling as Secretary; Mary Lou Markley as Treasurer; and Judy Garn as Inter-Club Council Representative. For a little financial backing we rely on a fifty-cent donation from each member.

We had many fine projects this year in which we learned much about the field of science. One of the most helpful of these was publishing a paper for our club members. At our meetings we usually talked about one another's science projects, some of which we took to Bowling Green for a science

exhibit, or we would have a speaker. At one of our most interesting meetings we heard two boys from the senior class speak about the projects they had prepared for the Westinghouse Scholarship Test. They urged us to start working on a science project early if we expect to participate in the test. For one meeting we took a trip to the Science Room of the Zoo and at some others we visited students' homes and saw their different hobbies which were connected with science.

The main reason for organizing our club is to stimulate interest and acquire more knowledge of the field of science. Many of our members expect to follow science as a career.

Here is a little poem which explains just why we need a better knowledge of science:

Johnny was a scientist

Johnny is no more.

What Johnny thought was H_2O was H_2SO_4 .

As the year draws to a close, we Junior Sorelles can look back on a very active one. After being initiated by the Senior Sorelles, our big sisters, we elected officers.

Pat Moulton, Chaplain, began each meeting with the Lord's Prayer. President Janet Miller and Vice-President Nancy Schumm conducted the meetings, while Barbara Epstein, Sergeant-at-Arms, tried hard to keep order. Angie Miehl, Treasurer, pleaded for money, and Secretary Pat Schrock took notes.

Since our treasury was in dire need of funds, we decided to sell shakers at a football game. The shakers contributed greatly to the increased school spirit showed by our student body this year, and the money we received from them helped to pay for our Christmas decorations which won second place in the Little Brown Jug contest.

Pleased with the success of our first money making project, we planned a bake sale. Due to fine cooperation, this was also a success.

During the Christmas season, a few hardy members braved the snow and went caroling. Although we didn't make sweet harmony, we did have fun. We also remembered the needy and prepared a Christmas basket as our charity project.

All this could not have been done without the counsel and aid given us by our advisers, Mrs. Margaret King and Mrs. Harold Miehl. We owe them our sincere thanks.

We feel that we have had a wonderful year and only hope that next year will hold as much fun as this one.

The Cheaveaux Riding Club is a girls' social club which was organized to bring together all those girls who have an interest in nature and the out-of-doors. Our main activity is horseback riding, but there's excitement in everything else the Cheaveaux Club does.

In October we gave a hayride for all members and their dates. Although it snowed very hard, we all enjoyed coming back to Sue Leichtamer's house for sandwiches and cocoa.

On December first we held a very successful bake sale at Foodtown on Monroe Street. The net profits came to nearly sixteen dollars, which we used to pay for our Pot O' Gold picture. When Christmas was only a week or so away, we gathered at the home of Marge Olmstead to go out caroling. Afterwards we returned for refreshments and games.

During the winter months we did not always

ride, but we met faithfully every week with our teacher adviser, Mrs. Iva Mennig; and our parent advisers—Mrs. Funk and Mrs. Teaker. The officers are as follows: President, Mary Finkenbiner; Vice-President, Jeanne Abbott; Treasurer, Betsy Chamberlain; Secretary, Karen Fortune; Sergeant-at-Arms, Sue Leichtamer; Chaplain, Janette Sackel. Each officer did a good job in carrying out her duties and should be commended.

In the spring we gave a splash party in the new Y.W.C.A. pool. Everyone had a marvelous time. To finish off the year we held our annual "Breakfast Ride"; that is, riding for an hour and then eating a big hearty breakfast in the ranch-house at "Diamond S" Ranch.

All in all we have had a very gay year and wish next year's officers and club the success which we enjoyed this year.

SENIOR SORELLES

The last meeting of the Senior Sorelles we held in the home of our President, Shari Shumaker. The meeting officially began after Janice Kelly, Chaplain, led the group in saying the Lord's Prayer. Then Anne Fowler gave the Treasurer's report and Sue Schroeder, Inter-Club Council Representative, gave a resume of the last council meeting. Meanwhile "Ginger" Rogers, Sergeant-at-Arms, was busy trying to maintain order among the thirty-five members.

During the football season our club sold souvenir programs at two of the games. We used some of the profits to send a basket of fresh fruits, candy, and nuts to the Lutheran Old Folks Home at Christmas.

A member suggested that we provide the entertainment for a basketball mass meeting. Mary Taylor, Vice-President, was made chairman of the com-

mittee, and plans were made to have the event before the Central-DeVilbiss game. After the game the girls got together for a slumber party. A party was given for the children at St. Anthony's Orphanage near Saint Valentine's Day. Miss Ursula Schmit and Mrs. Vincent Rogers, our advisers, suggested that we have a card party in honor of the members' mothers.

Jane Zellers, Historian, was busy keeping a record of the events of the Senior Sorelles of 1951-52. We unanimously agreed that in the twenty years of Sorelles in DeVilbiss High School, no group has had a better year.

Refreshments were served and the meeting was adjourned.

Respectfully submitted,

SUB-DEBS

"Hi, there. Boy! What a year this has been."

"Yep. Think of all the things we have done."

"Especially Sub-Debs. Hasn't Billie Spurgeon done a wonderful job as President?"

"Yes, and Vice-President, Marilyn Collins; Treasurer, Marilyn Hahn; and Secretary, Margaret Faulds have done pretty good, also."

"They sure have. Remember the alumnae party Christmas vacation? Wasn't it fun, though?"

"And the mass meeting held before the Sandusky basketball game was loads of fun to give, wasn't it?"

"But, oh, those meetings. What a madhouse! After Billie had called the meeting to order and Phyllis Smith had led us in a prayer, Pam Holly, Sergeant-at-Arms, had a job trying to calm the girls

down. Barbara Thomas always had an interesting Inter-Club Council report to give."

"And then there were Miss Lerche and Mrs. Spurgeon, our advisers. They were always discussing the handiwork of Miss Lerche. They helped us a great deal in solving our problems, too."

"Yes, they sure are wonderful. But the best occasion of all was the senior banquet. Everyone looked forward to that. There we talked about all of our activities, including the family that we adopted for Christmas, and the selling of programs at the city basketball tournaments."

"Yes, it certainly has been a wonderful year, and I am sure everyone will agree with us."

"Well, I have a lot of work to do, so I must be getting along, but I'll see you next year at the first Sub-Deb meeting."

Could 1951-1952 have been more successful for Thaliens?

The year began with installing fifteen junior girls at our President Sally Esgain's home. This impressive candlelight service renewed the purpose of Thaliens which is to acquire sound and beneficial knowledge concerning literature, drama in all forms, music, and poetry. Each program was planned by four girls who gave interesting facts of one author's life and illustrated his works.

Enthusiastic members, our capable officers—President Sally Esgain; Vice-President Marvel Schroeder; Secretary Janice Kelly; Treasurer Charlotte Slevin; Inter-Club Council Representative Joanne Herrnstein; Chaplain and Sergeant-at-Arms Carole Demaline; Social Chairman Ann Cordill,—together with our advisers, Miss Mildred Johnston and Mrs. Esgain, made each meeting a success.

We had many outside activities this year. In November the girls took time out to write and present a minstrel show for the patients at the Lucas County Home for the Aged. Their genuine appreciation made the time spent on this project seem very worth while and rewarding. After the Macomber basketball game the girls busied themselves by presenting a dance for the student body. This event we will all remember for it was not only fun, but it also put some money into our treasury. Feeling very charitable, we filled a Red Cross box with soap, scarfs, combs, pencils, and writing paper. We also made a contribution to the March of Dimes Campaign. In December the Thaliens had their Christmas party with the Quill and Dagger Literary Society and the Periclean Literary Society. These and many other events including the annual Mothers' Tea, visits to the Toledo Repertoire Theater, and the Senior Farewell Party, will be remembered by all of the Thaliens.

The purpose of the Periclean Literary Society is to become intimately acquainted with drama and the theater. We accomplish this by various activities during the year.

After our business meeting, conducted by our President, Sue Starkey, we turned to our program which has included a play read by the members and recorded, a review of "South Pacific", and discussion of theater development. Marilyn Britton, our Veep, has supplied us with many program ideas.

We attended the dress rehearsal of "The Women," at the Repertoire, and we attended the class productions *en masse*. A journey to Detroit to see "Gentlemen Prefer Blondes" provided us all with a long-to-be-remembered weekend. Recording the plans for all these projects was our secretary, Shirley Black.

Our treasurer, Mary Taylor, reminded us when dues were overdue. Therefore we engaged in

some money making schemes. This fall we sold programs at a football game and about mid-year we sponsored an After-Basket-Ball-Game Dance, both of which kept us on the credit side.

At Christmas time, we had our traditional Alumnae Tea, and at a city-wide tea at Waite we compared notes on the working of the Peries in all the city high schools.

On the social side of things we got together with the Quill and Dagger Literary Society and planned two parties, one in the winter and one in the spring, at which every one of us has an awfully good time.

The enjoyment and benefit we have acquired would not have been possible without the aid and interest provided us by our faculty adviser, Miss Ruth Smith, and our parent adviser, Mrs. Alexander. From our experiences we have gained much to make this a truly colorful year.

UNITED NATIONS

The DeVilbiss United Nations Association, or DUNA as it is called, has a two-fold purpose: first to inform its members about the ideals and workings of the UN. This we have done by studying the United Nations charter, having panel discussions, and attending lectures sponsored by the Toledo United Nations Association. Our second purpose is to create, maintain and extend throughout the community an active interest in the United Nations. Through participation in the District High School Council and the Model General Assembly held at Toledo University in April, we have accomplished this interest.

During the year we sponsored the United Nations Day assembly, with an address by Rev. Roland G. Carter, and also conducted the United Nations Week observance. We all enjoyed the year's social events which included a roast in Ottawa Park; a Christmas party; a tea with Mr. George

Gould, President of the Toledo United Nations Association, as guest speaker; and a talk by Mr. Pierre Pasquier, who had just returned from the United Nations Education Scientific and Cultural Organization Convention in New York City.

With the aid of our officers: Mark Gallon, President; Mary Ella Holst, Vice-President; Janet Peterson, Secretary; Shirley Black, Treasurer; Richard Rubin, Inter-Club Council Representative; Nancy Zerman, Historian; and our advisers, Miss Rose Bloom and Miss Olive McHugh, the club has tried to live up to the following hope expressed in the UN charter:

"To save succeeding generations from the scourge of war."

This we feel can only be done if we continue to expand our knowledge of world affairs and inform the public of the values of the United Nations.

AEOLIAN RADIO CLUB

At the Aeolian Radio Club meetings we combine work with pleasure under the capable supervision of our President, Jim Jackson. Whenever Jim was sick or for some reason was unable to be there John Dickinson, our Vice-President, would be prepared to take over. In one corner you'd find Jeanne Romanoff, our Treasurer, collecting the dues and counting it into small piles, while in the other corner our Secretary, Renee Riendeau, would be sitting with her notebook and pencil rapidly taking the minutes of the meeting. The main purpose of the Aeolian Radio Club is to stimulate interest in the entire field of radio activities. We also try to discover talent and encourage its development.

We take turns planning a ten minute talent show for each meeting. This is an excellent opportunity for the members to perform or help plan the entertainment. We visit radio stations and furnish talent

for school assemblies, variety shows, and parties. On various holidays we plan entertaining programs for the young ones at the orphanages, the Crippled Children's Home, and for the aged.

Anyone may join the Aeolian Radio Club who is interested in radio writing or radio production.

The meetings have encouraged numerous members to develop their interest in announcing, producing, and directing radio programs, as well as being discriminating listeners. Many of our members have through this training received special recognition from different radio stations.

Of course, the club couldn't have been a success without our teacher adviser, Miss Frances Griffin, and our parent adviser, Mrs. Entner. These two people have worked hard helping us greatly with their thorough knowledge of speech and radio.

The DeVilbiss Roller Skating Club was organized last year so that all who have an interest in skating and would like to learn more about it can do so without spending time taking lessons. Since then we have found out that many people really enjoy skating and have become members of our club.

Our meetings start approximately at the time the school bus deposits the members at the Rollercade, our meeting place, every Friday. After checking in, we scatter our books and coats on vacant chairs and proceed to don our skates.

On the skating floor one of the braver members is attempting a waltz jump while a group of skaters standing near try to figure the difference between a spread-eagle and a mohawk turn. This first half-hour is used for anything from practicing to having an argument or discussion over some technical point. Our adviser, Miss Grayce Logan, or our president, Bob Garvin, soon straightens everyone out on the problem.

About four o'clock Bob calls the meeting to order and we discuss any business we may have. These meetings do not last very long and we soon start skating.

Other club officers are: Janet Morgan, Vice-President; Jack Schweibold, Secretary; Connie Brackman, Treasurer; and Barbara Calkins, Inter-Club Council Representative.

Grayce then takes over the club and starts us off with a few drills to warm us and announces the dance we are going to learn. After teaching the separate parts of the dance, she calls on one of the more talented members of the club who races proudly to her side and proceeds to lay the entire dance on the floor.

After the lesson we have a short skating session in which the dances we learned today and previous meetings are called. The meeting usually ends about five o'clock and everyone heads for the Dairy just down the street to have a refreshing drink.

"Are you prepared now?" asks Nancy Bolton, President, as she tries with the help of Vice-President Pat Lanford to bring the meeting to order. The Secretary-Treasurer, Marilyn Lankenau, is very busy with her duties as the meeting goes underway. This question can really be answered now, but first, let's go back to the beginning of the year.

The Senior Service Scouts really accomplished many things of service to our community and to our country. To be of service to our community we made clown bean bag dolls for all the crippled children in the Toledo Hospitals. Also, several of the girls took the twelve hour Civil Defense Course offered by the Red Cross.

During the second part of the year, first aid was our big project. All the girls took the eighteen hour course and we are really prepared now for an emergency. Through the Planning Board (with Julia Thompson and Sharon Spaulding our repre-

sentatives) we participated with the other scouts in the city to try to build a better world.

Early in the year we held a tea for the freshmen girls interested in scouting. Two very enjoyable times were held at Camp Libbey this year, once in the fall and once in the spring. In May we had a potluck party which was very successful and filling.

But wait, who has made this all possible? Without the advice and leadership of Mrs. Hedden and Mrs. Brigham, our leaders, and Miss Marie Lerche, our teacher adviser, none of this would have been possible. They really deserve a rising vote of thanks.

In closing this great school year we of the Service Scouts wish to thank everyone who has added to the success of our Club and we would like to give you this, our motto, "Be Prepared" for the years ahead.

FAMILY LIVING CLUB

The Family Living Club is in its third year of existence. It was originated by Mrs. Blanche Luther and her family living classes in 1949. The purpose of our club is to give the students the basic ideas of family life and to help guide them through their lives in the years to come. The group is under the very excellent guidance of Mrs. Luther who is assisted by Mr. and Mrs. F. M. Fortress, and Mrs. D. Reed.

The following officers of the club were elected in the fall of the year when we had an informal roast for the future members at Ottawa Park: Hank Ruehlin, President; Dody Schroeder, Vice-President; Don Flamand, Treasurer; Sara McDevitt, Secretary; Nancy Kinney, Recording Secretary; and Sue Fortney, I.C.C. Representative.

We meet on the first and third Thursdays of the month in the United Bretheran Church. Meetings consist of discussions of old and new business followed by a speaker. Representatives from the Alcoholics Anonymous, Juvenile Court, Police Depart-

ment, Child and Family Agency, School Board, State Hospital, Florence Crittenden Home, Protestant Churches, and the Social Hygiene Department have made our year a very interesting one.

We are very proud of our club and its accomplishments. To the Care Fund we sent a donation, and at Easter time we made Easter favors for the Children's Orphanage. We hope that the traditions of the club will be carried on and that the future members will enjoy it as much as we have.

It was in our club this year that the all-city course of "Preparing For Christian Marriage Today" was started. This was for young people between the ages of 18 and 21 and was held every Tuesday at the Glenwood Lutheran Church.

Taking all into consideration, we feel that this year has been more fruitful than any other year for our club and we sincerely hope that we can accomplish as much next year and the years to come as we have this year.

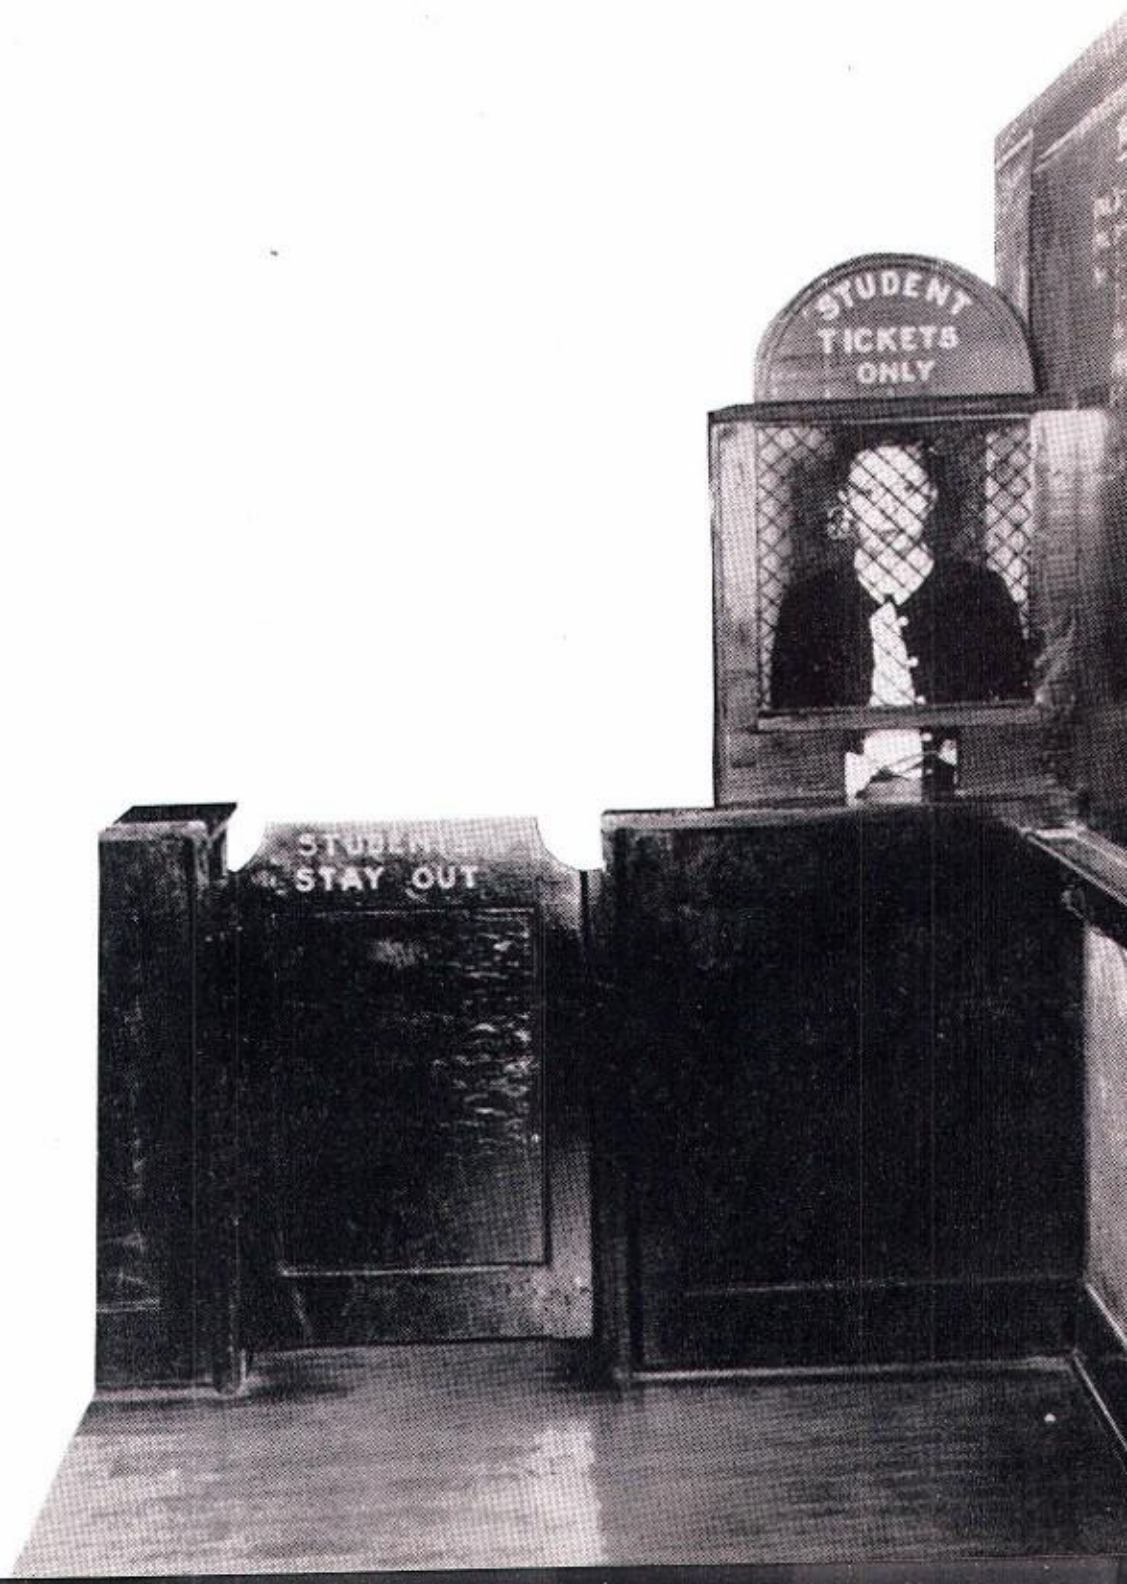

"And the score goes up another notch, Boom! Boom!"

Red, a valiant color, is associated with **honor**. Our athletics have brought such distinction to DeVilbiss. All, from the reserve on the football team to the high scorer on the basketball team, have lived and played for that traditional ideal. They have won for DeVilbiss recognition in city competition; they have won personal recognition; they have been a factor in unifying the school by creating school spirit. Those letters won so proudly are really "red badges of courage" for it takes no small amount of it to willingly undertake the drudgery of practice and the strain of competition.

Dear Nancy Lou,
Here it is the end of our sophomore year &
we're the best of friends. We've had our
share of fun & our share of fights, but they
all seem to come out o.k. & most of them are
our silly things. Don't you agree? & Next time
I got mad I'm coming right over & getting my
dollar back from the sweater. But seriously,

Up and over for a first down.

VARSITY FOOTBALL

Hilton Murphy, new head football coach, who was ably assisted by Tom Inman, Dave Hardy, Don Black, and "Buddy" Leiniger, instilled a new fighting spirit into the student body as well as the team. We showed this spirit as we played a very strong Waite team for the opening game. In the final minutes, Waite tied the score with a touchdown and went ahead to win by the extra point.

From the opening kickoff till the final gun neither the "Tigers" nor the defending city champions from Scott could cross the other's goal as the teams battled to a scoreless deadlock. Although the "Bulldogs" went deep into DeVilbiss territory twice, the "Tigers" ended both threats.

The following week, in a very rough battle, the Bengals were tripped up by Central, who, as the season ended, were co-champions of the city. Again this game was a thriller and wasn't decided until the final gun. At this time the boys, many of whom hadn't been in uniform for two years, seemed to overcome their greenness and gain their confidence.

The "Tigers" beat the "Potters" from East Liverpool with expert running and by thwarting East Liverpool's risky aerial offense.

Byram follows Kwiatkowski and Epstein through the mud.

TOP ROW—Norm Pollman, athletic director; Don Black, coach; Gary Burk, Mike Seaman, Chuck Pollard, Bob Ossim, John Haupricht, Larry Wagoner, John Jordan, Sam Magee, Don Boudinot, John Black, Al Rust, Bob Cosgrove, Lynn Colwell, Hilton Murphy, head coach; Tom Inman, backfield coach; Dave Hardy, line coach. As the game progressed the team easily won over Woodward for many penalties were called. There was no doubt as to what the outcome would be as the continual pounding slowly but surely weakened the visiting "Polar Bears".

Spectacular line play and a few long shots paid off with the first victory in eleven starts over Waite. The "Indians" started out with a seven point lead but couldn't hold it against the vengeance bound "Tigers".

An easy victory was gained over Findlay despite a close first quarter.

Down in Southern Ohio the boys captured their fifth straight win and first victorious shut-out of the year from Portsmouth in a lopsided game.

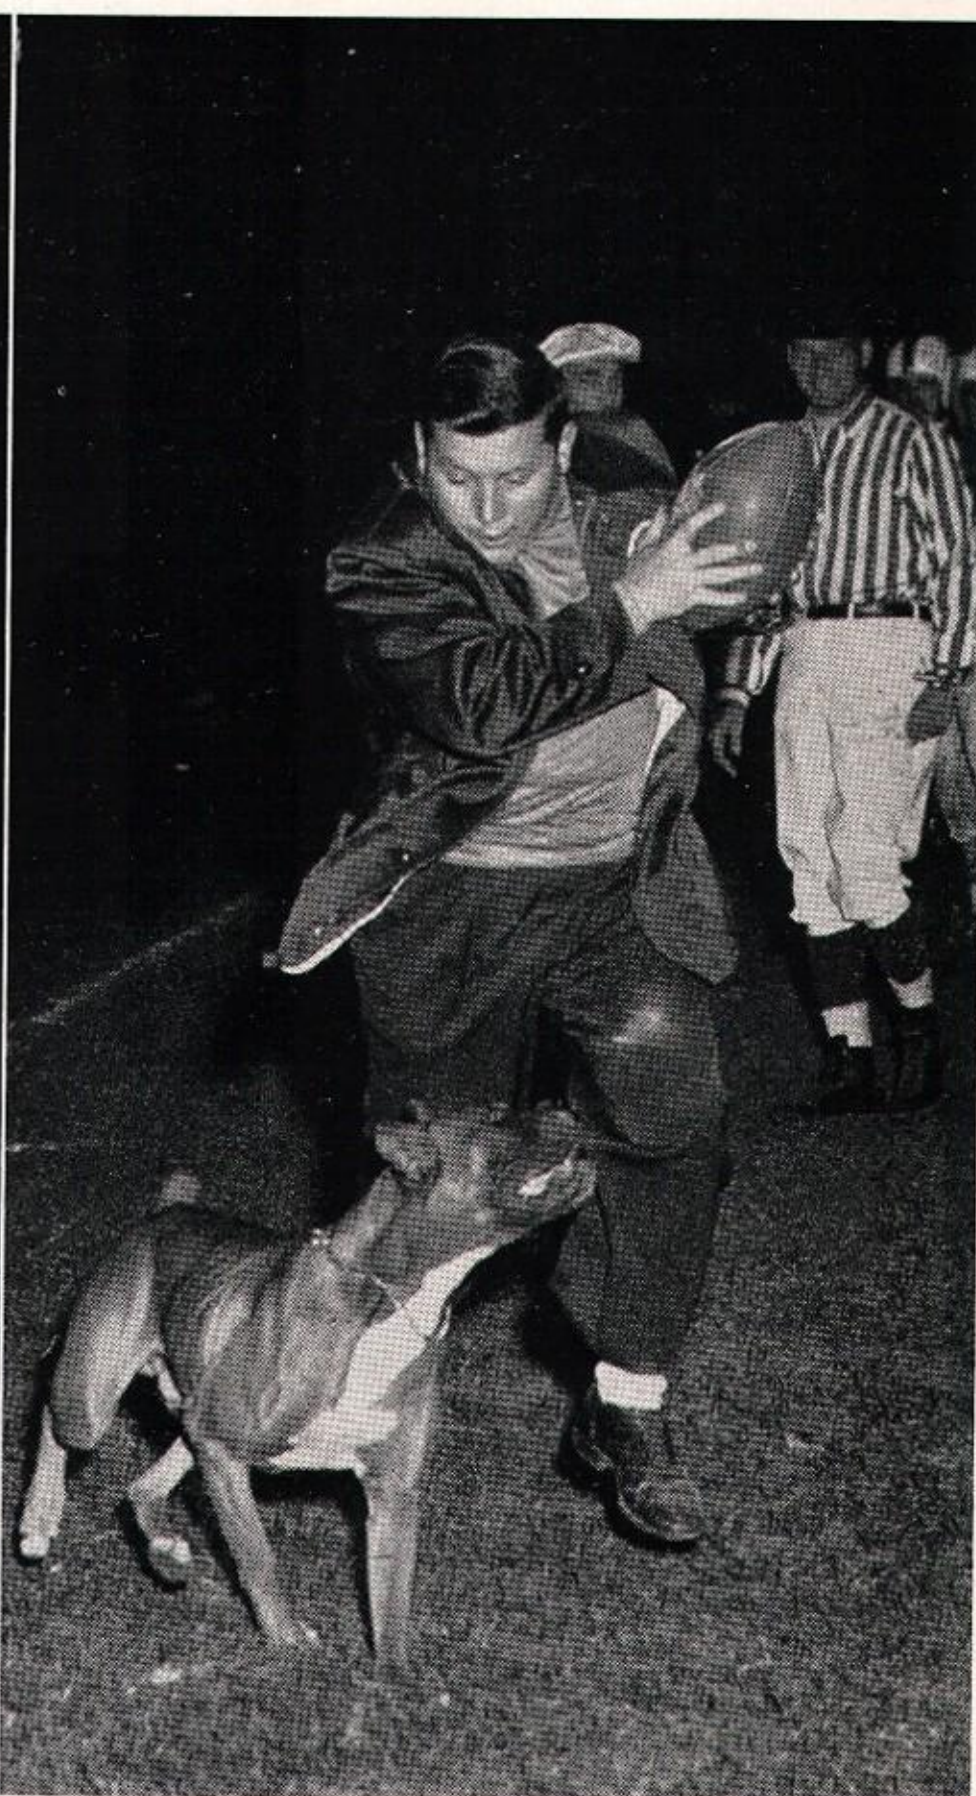

Tempers flared and the referees' whistles took a work out as Middletown halted DeVilbiss's five game winning streak at Page Stadium.

Pre-game rallies brought student morale to a high ebb for our traditional game with Libbey on Thanksgiving morning. However, the "Cowboys" from Libbey were not to be denied the co-championship of the city. For the first three quarters it looked as if the "Tigers" might upset the co-champions to be. At the end of the third quarter the score read: DeVilbiss 0, Libbey 6. Libbey dominated play throughout the fourth quarter and second almost at will.

Thus the team ended the season with a record of five victories, four setbacks, and a tie.

BASKETBALL

Although the 1952 Tigers were lacking in height and experience they made up for this by their fine cooperation and team spirit.

In their traditional game, the Alumni fell victim to the Varsity. The League season was opened by a loss to Macomber, the team which was to prove our nemesis. Clay then offered an easy victory in a non-league contest. A Tiger rally in the final stanzas superceded Ottawa Hill's large halftime lead in a real thriller. Whitmer then fell victim to the DeVilbiss juggernaut.

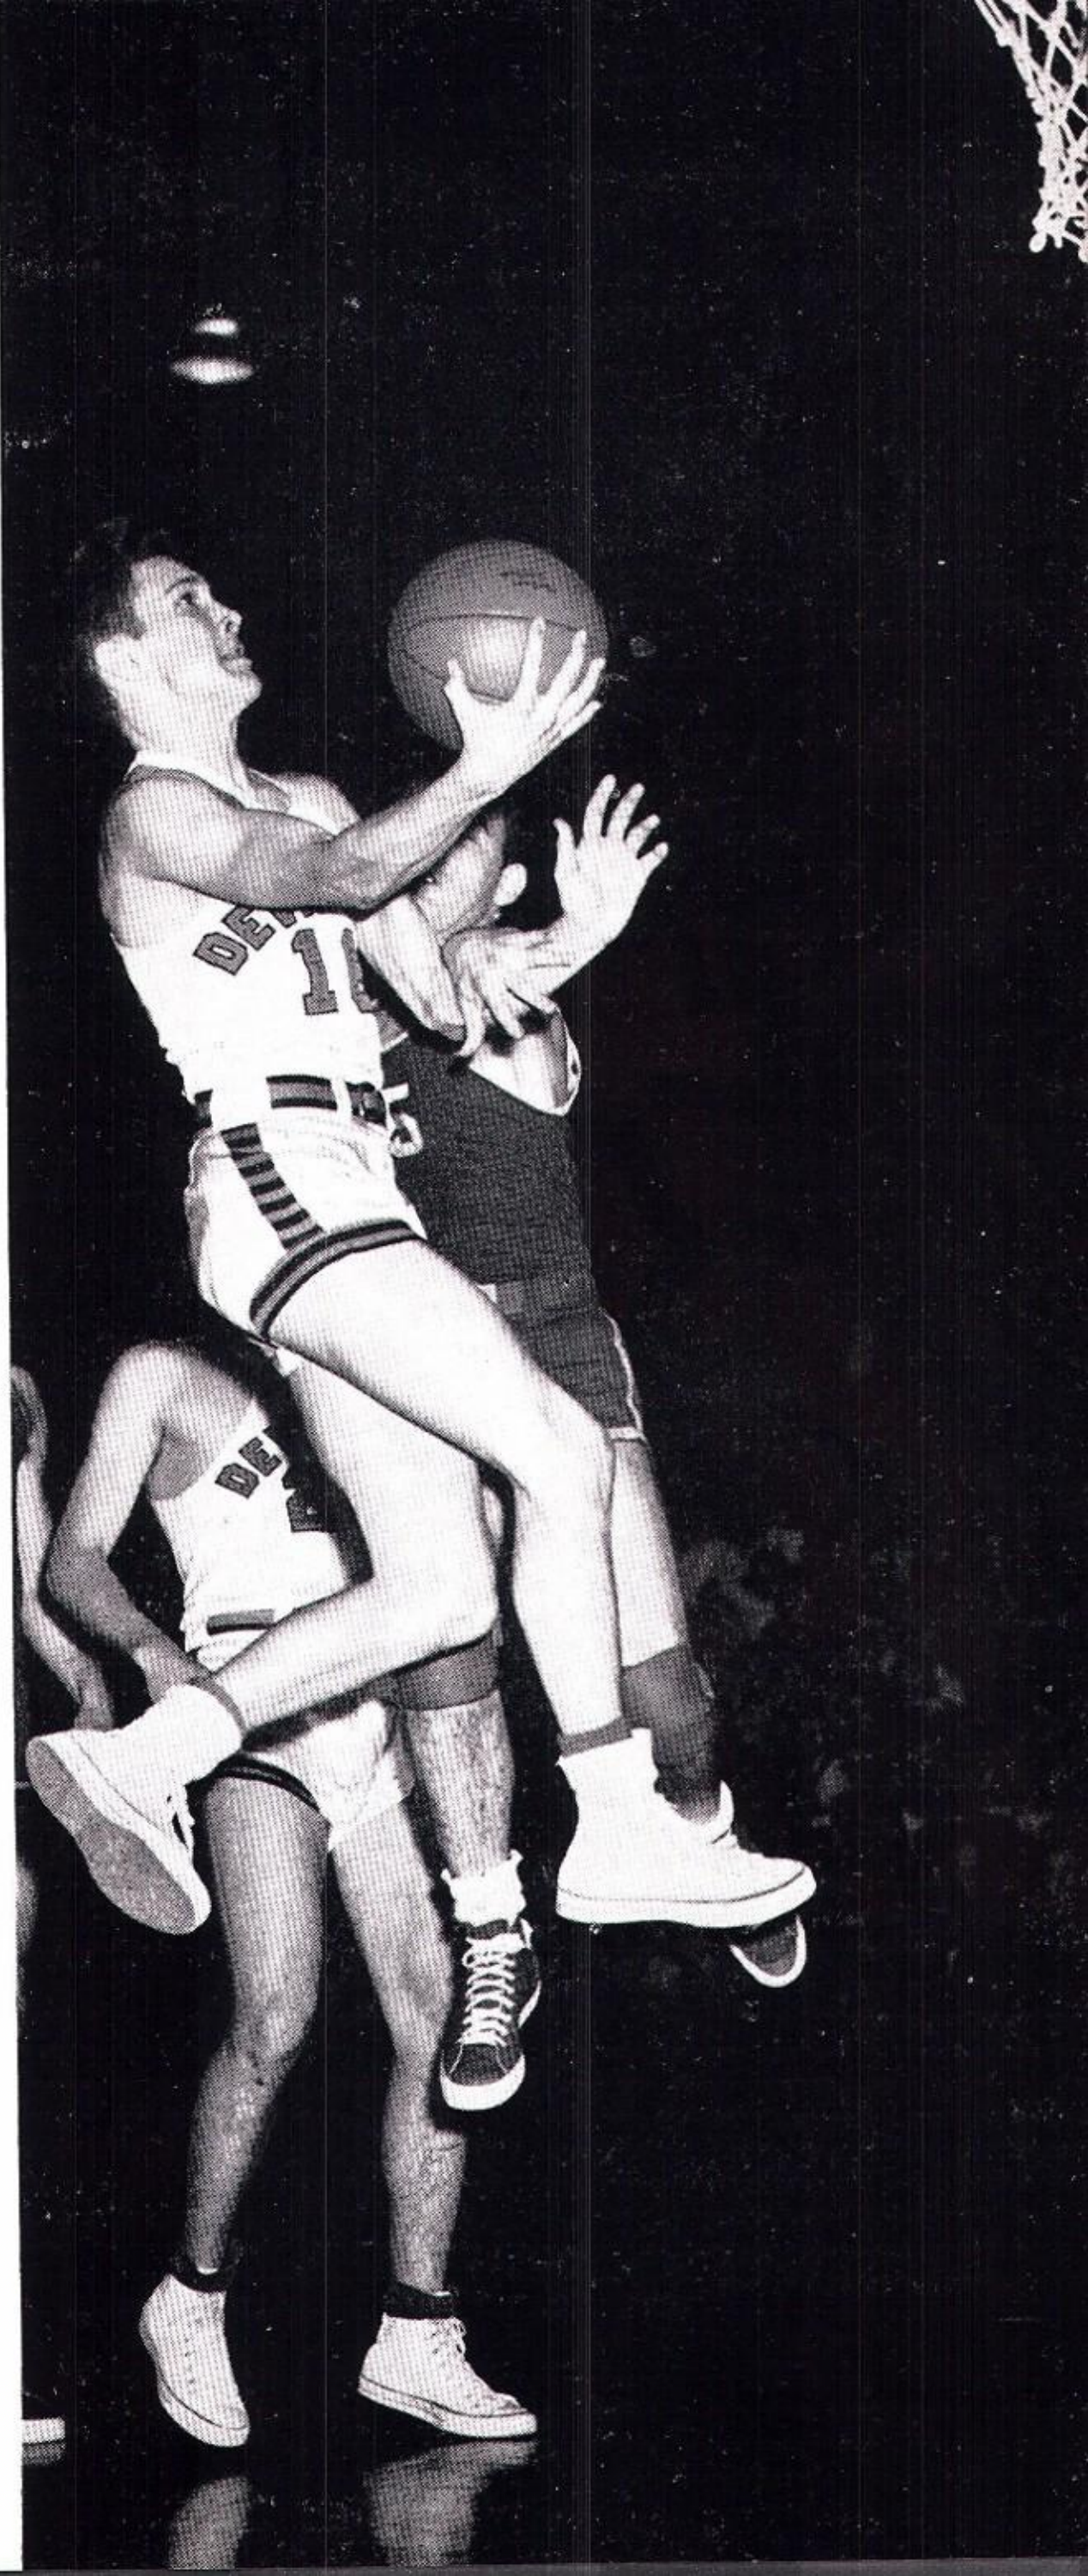

After Scott had jumped to a sudden start, the Tigers gathered momentum for their first league victory at the Sports Arena. In Fostoria's annual Christmas Carnival, the team added Fostoria and Bucyrus to its list of victims. Woodward found it difficult to break up a relentless DeVilbiss zone defense as we went a step further in our championship drive.

After a close game with Waite in which our team took advantage of several of the Indians' misplays, our cagers found themselves in a tie for the city league lead. We then strengthened our position by nosing Libbey aided by a nineteen point rally in the third quarter and one for eighteen points in the fourth.

At last came the long awaited game with Central, the leaders of the league. Ahead by eight points with three minutes to play, the team gave the ball to Jim Shearon who completely baffled the Central five with a spectacular freeze. This victory gave us for the moment sole possession of first place.

CITY CO-CHAMPIONS

Then came our old bugaboo, Macomber, who threw us back into a league tie. Our cagemen dropped a close one to our next opponent, Sandusky, in a rough and tumble game in our gym. In the DeVilbiss-Scott game both teams had trouble scoring, but the Tigers hit more often than the Bulldogs for another win. Hitting 52.9% of their shots as contrasted to the 17% in the previous game, the Tigers downed the Polar Bears of Woodward. Although our team had fewer chances at the basket than Waite, they were more accurate and came through with a victory. In the following game, Libbey ruined our chance to have the city title to ourselves by scoring one more basket than our players.

The climax of the season was the game with Central for the City Championship. By winning this game we would make Central share the title. Had the Irish won they would have had it to themselves. However, our boys came through with a spectacular victory before a huge crowd at the University Field House to upset the favored Irish.

In the District Playoff the Tigers advanced to the finals by defeating Scott and Woodward, but fell to twice-defeated Central, who later advanced to the quarter finals in the State Tournament.

Special congratulations go to Coach Bob Rettig, who did a commendable job coaching our 1952 basketball team; to co-captains Earl Sigg and Jim Shearon who made the Blade and Times All-City-Teams. To all the players on the team, the school gives its thanks for this thrilling twenty-first birthday present—the City Co-Championship.

Duckworth scoots under to score.

Earl Sigg, "King of the Court," has everything under control.

Because our team "has got the spirit," and because our school "has got the spirit," we are city Basketball Co-champions. The team is really to be commended for the co-operation and drive which ran circles around their opponents.

When a team like ours can get out on the floor with a team the size of some of our opponents, and pin their ears back; when the student body has so much spirit that they can sell more tickets to a game at Scott than Scott can sell; when this happens, as it has, the sky is the limit for DeVilbiss. That same spirit which pushed basketball attendance to a record high, has also pushed DeVilbiss through one of the most successful years ever known.

We have this spirit because "we're from DeVilbiss," and "no one could be prouder." We know it's our duty to go out there and yell ourselves hoarse at those games. And by the way, we did some real yelling this year. We're sometimes known to our rivals as "cake-eaters." Well, a few of those teams which sneeringly gave us this name, tried to bite the cake this year, and found it pretty tough and hard baked.

So let's see that spirit which predominated in basketball, gain momentum over the summer and come booming into DeVilbiss with such force next year that the school will "shake on its foundation."

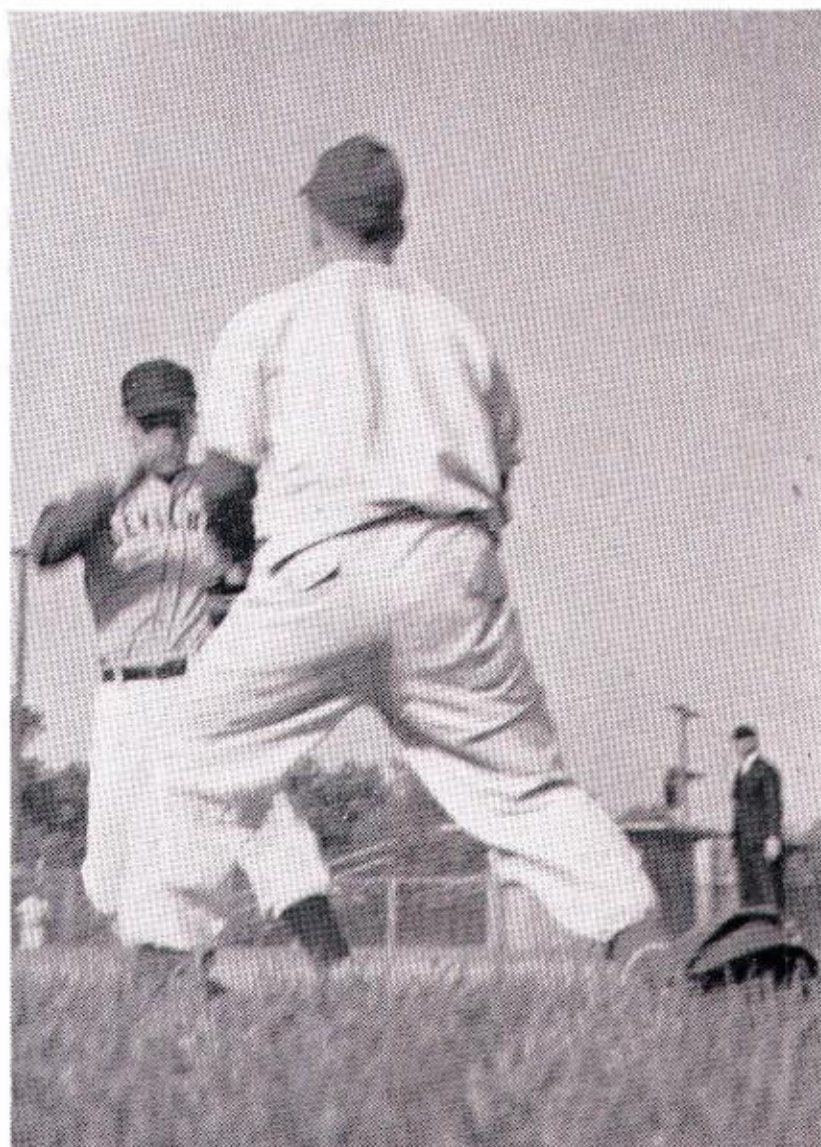

BASEBALL

Under the coaching of Norm Kies and the captaincy of Bill Boddy, the 1951 Tigers completed a season with six victories, four defeats, and one tie. Two of the losses were at the hands of Anthony Wayne; the other two went to Scott and Waite. The Bengals compensated for these setbacks by romping over Macomber and Clay twice, and Woodward and Libbey once. The nine reached a deadlock with Central at six runs each.

In the district tournament, the team defeated Whitmer and Libbey in order, enabling itself to advance to the regional tournament at Findlay College. Here it defeated Van Wert, only to be overcome by Columbus Lindin-McKinley—runners-up in state finals.

The baseball team finished the season with a total of 102 runs and a .240 batting average. Bill Boddy displayed a keen eye and a powerful bat by leading the team with a batting average of .394, and 16 R. B. I's.

With this record we can truly be proud of our 1951 baseball team and hope that its performance may even be bettered in years to come.

Have you ever wondered what the boys were doing running through Ottawa Park in the fall? These young men represent DeVilbiss in the sport of Cross-Country.

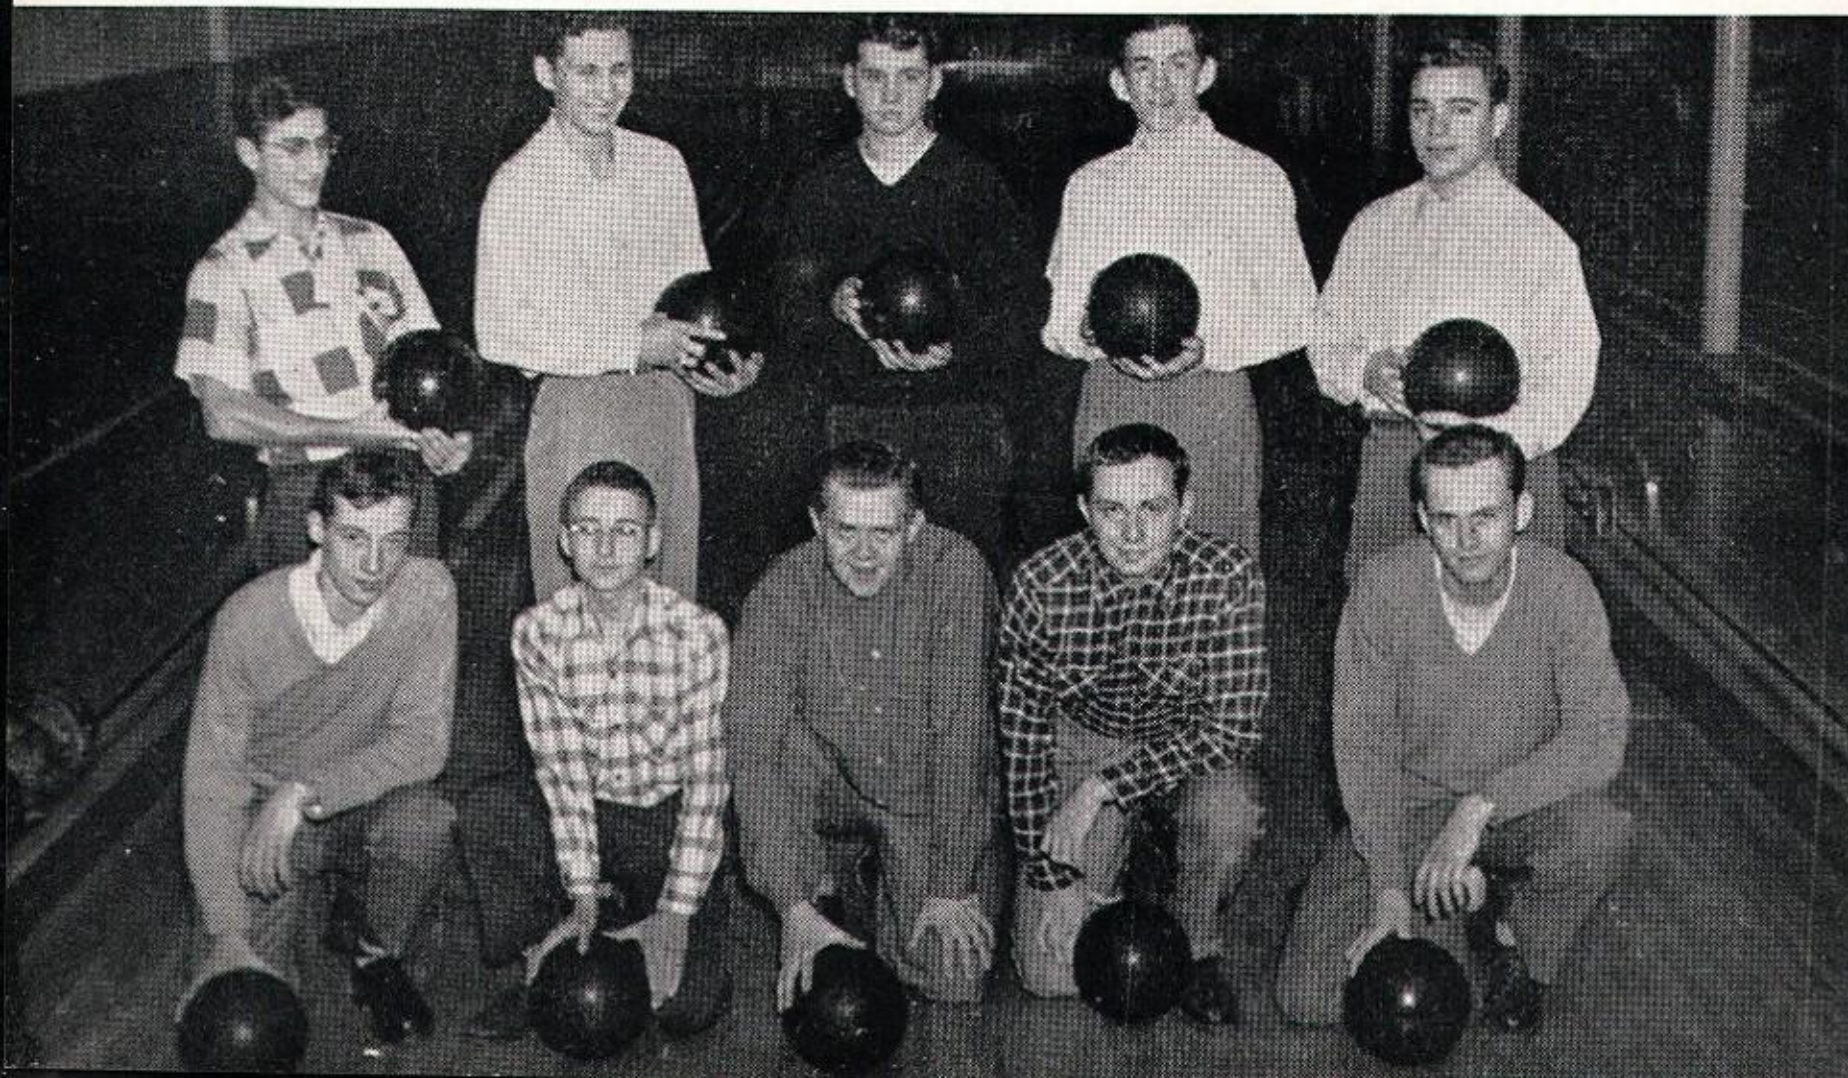

In the first meet of the season the Tigers defeated Whitmer in a close duel and lost one to the same team. Following the Whitmer meet our men were beaten by Libbey and Waite in that order. The team then finished the regular season by overwhelming Woodward. The Cross-Country boys showed improvement and as the season progressed, ended up running fourth in the district meet. Top individuals for the year included Tom Ehni, Roger Steinhauer, Chuck Sommerfield, Bill Rees, and Captain Dan Ames.

Rumble, rumble, crash! What's that? Chances are it's either our National or our American League Bowling Team in action early on Saturday morning. Bowling, in past years, had its usual group of enthusiasts.

The National League Team captained by Chuck Gregory fared the better of the two teams for it finished the season only two games out of first place. Jim Felkey set the individual record for DeVilbiss with the score of 587 in three games while the team's best output was 750 in one game.

The American League, led by Tom Woods, finished in seventh place. This team ended the season with a high three game score of 2247. Bob Breese headed the team with an average of 138.

TRACK

The 1951 DeVilbiss track team enjoyed a very successful season. The boys started out on the right foot by completely overwhelming Swanton on a cold rainy day. After defeating Woodward and Scott in order, the thinclads journeyed to West Delaware, Ohio, for the Ohio Wesleyan Relays. Here, against stiff competition, the boys finished seventh.

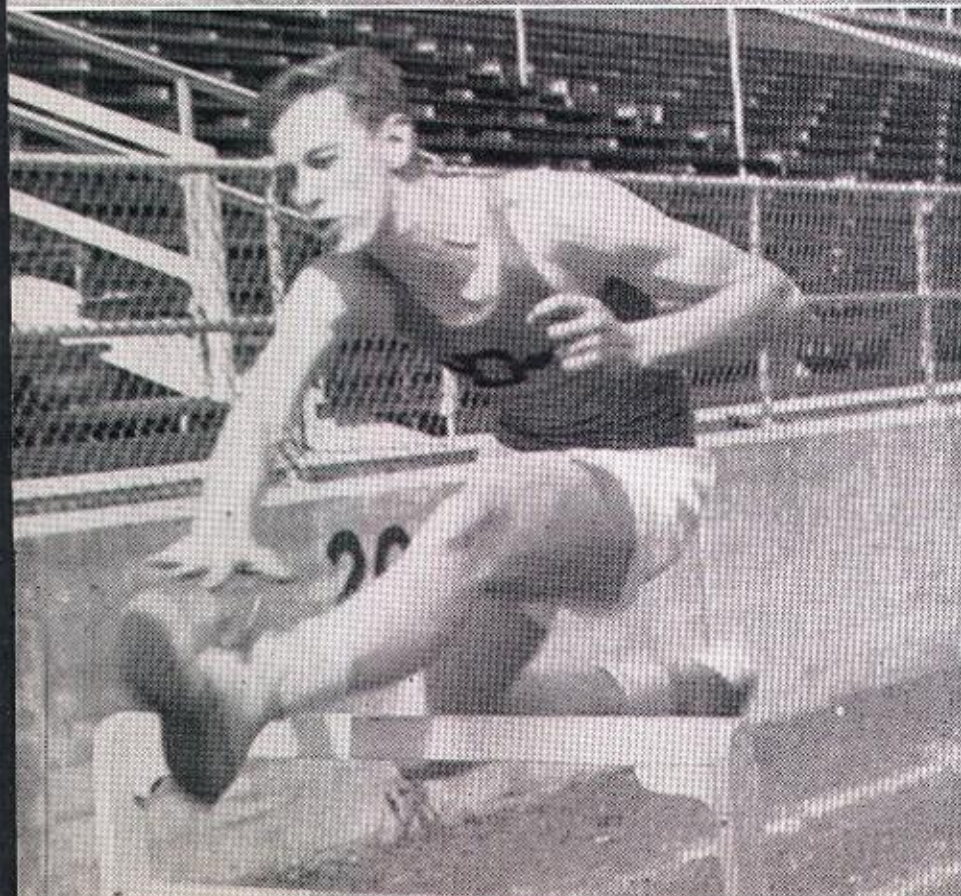

Upon their return, the Tigers encountered opposition in the form of our arch rivals, Libbey. Many thrilling races were seen in this encounter as DeVilbiss triumphed in the final stages. In winning this meet, the boys overcame the main obstacle for the city title.

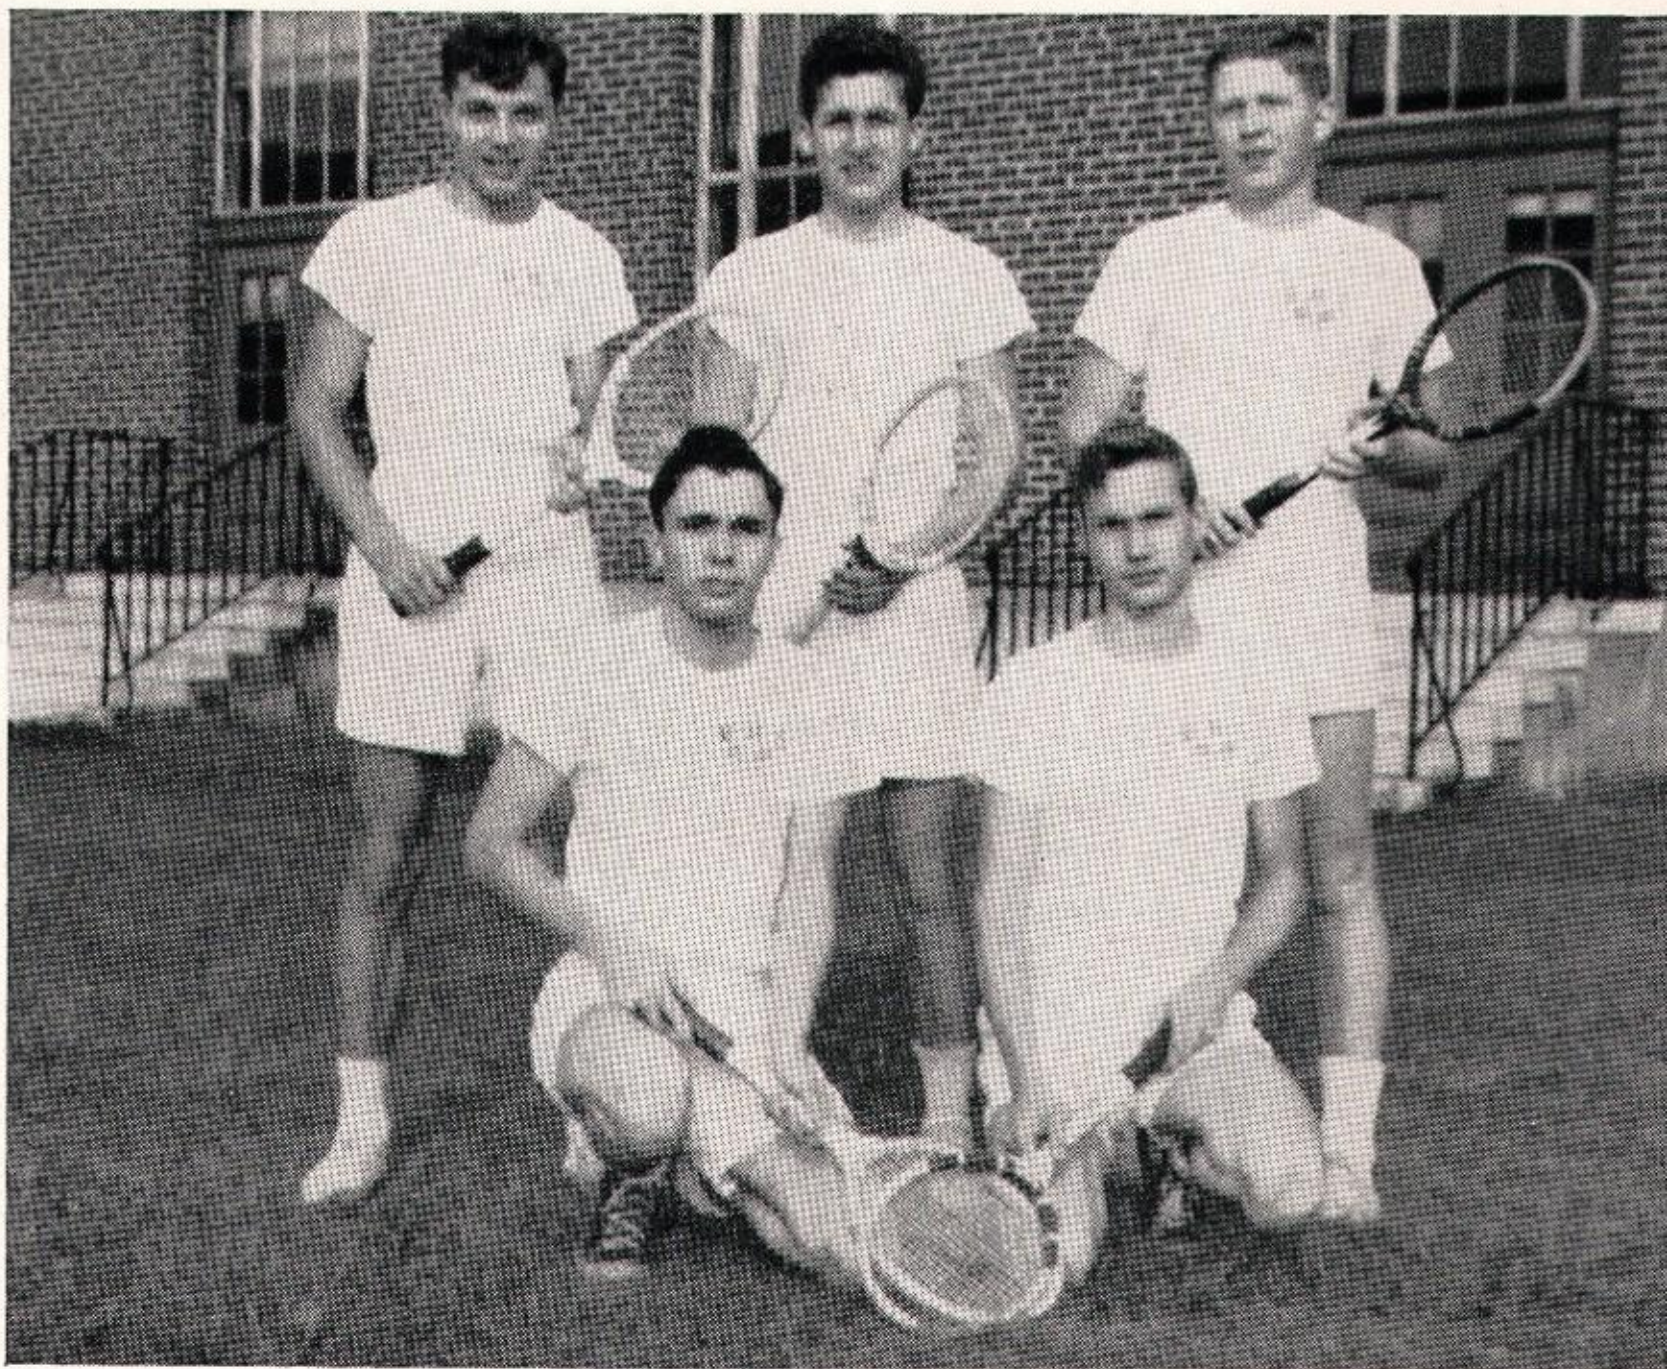

Following the Libbey Meet the Tigers were host for the Annual Night Relays held in Page Stadium. The hosts didn't show their manners very well as they took first place by edging a strong Lima Central team.

A journey to Lima for the Lima Junior Olympics resulted in a second place, topped only by Lima Central.

TENNIS

The DeVilbiss tennis team of 1951, sparked by Captain Walt Milbourne, Bill Leake, and Larry Resnick, finished the season with a record of five wins, four losses, and one tie. Aside from these three boys, seniors Tom Peterson and Ted Scharf, and juniors Hank Ruehlin, Chuck Freed, and Neil Kaufman were instrumental in winning the city title. This title was gained by winning every city match.

Three of the four losses suffered during the season went to top-flight Michigan teams, two of which were rated first and second in that state. Fremont, a team previously beaten by the netmen, handed DeVilbiss its fourth setback in a tight match.

In the district tournament at Bowling Green, Milbourne won the singles while Leake and Resnick were runners-up in the doubles, thus winning for DeVilbiss the district championship.

On that big day at Columbus for the state championship, Milbourne was defeated in a close singles match in the quarter-finals. Leake and Resnick were downed in the state semi-finals. Both of these boys were juniors and much is expected from them in their senior year.

INTRA-MURALS

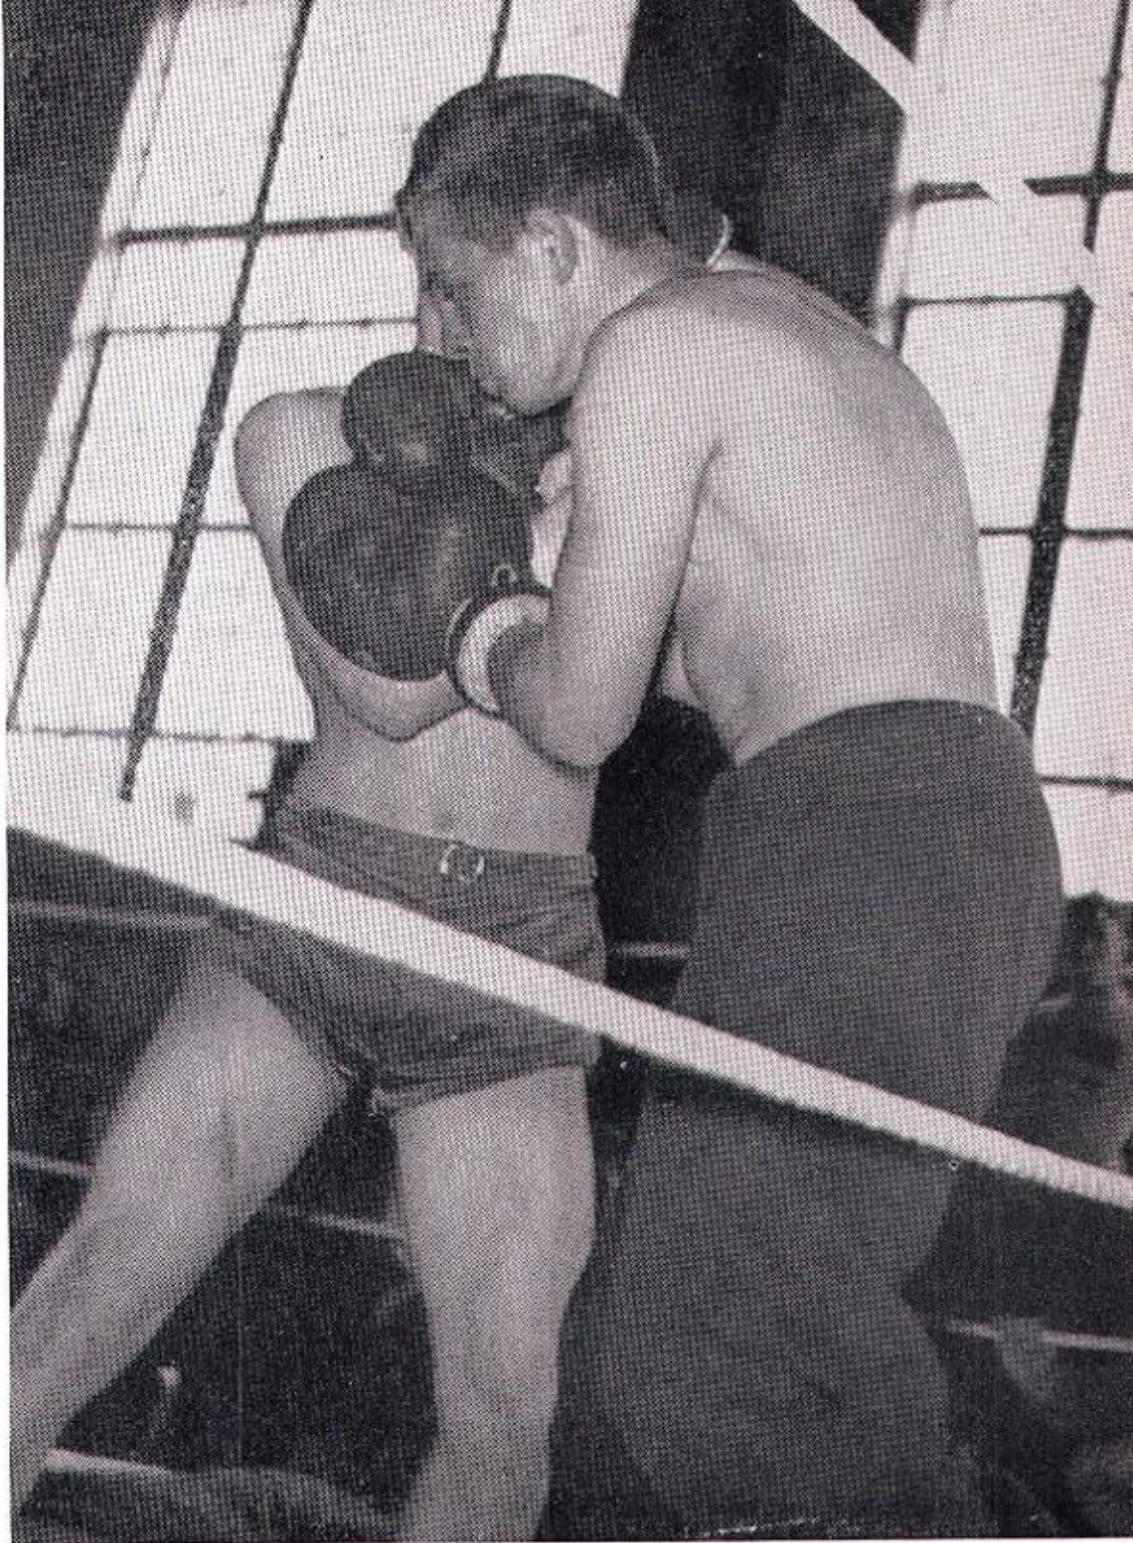

The intra-school athletic program this year gave many boys a chance to participate in some form of sports while at DeVilbiss. The year's intramural program offered: Freshman Homeroom Basketball, Ping-Pong, Inter-Class Track Meets, and Boxing outside of the scheduled gym classes.

The DeVilbiss Silver Gloves Tournament, now an annual affair, provided many thrills for boxing fans of DeVilbiss. About sixty-five boys, with Dave Hardy refereeing, fought under actual ring conditions. Winners were: Heavyweight, Ron Mason; Light Heavyweight, Gary Mortemore; Middleweight, Bob Kramer; Welterweight, Dave Bush; Lightweight, John Ray; Featherweight, Don Harden; Bantamweight, Dave Sweeney; Flyweight, Vince Doniere.

Last fall any Freshman not out for football had a chance to play basketball. While this program was being effectively carried out, the coaches had the opportunity of looking over the boys for possible varsity material.

Intra-school activities were carried on during and after school. Here the boys learned sports fundamentals and participated in a varied sports program.

The achievement tests, which come twice a year providing them with a chance to compete with other members of their class in feats of skill, strength, agility, are usually dreaded by the Freshmen and tolerated by the upperclassmen. Young additions to the gym staff have greatly added to the spirit of the intramural program.

GIRLS' SPORTS

The Girls Athletic Society or better known as the "Gas Girls Society" is the largest club in the school. It consists of nearly two hundred girls who join in the athletic sports of after-three-o'clock-meetings. It is not just "fun", but it develops the skill and poise of the girls also.

In the fall, we start with field hockey. This proves quite interesting and noisy with the banging of sticks and the yelling of the girls as the ball goes between the goal posts.

Then comes four months of basketball terminated with an exciting tournament. The girls divide into teams and every Tuesday, Wednesday or Thursday they are in there making baskets for a much desired win. Near the end of the season, it is hard, determined girls fight to stay on top. The winning team in each class is eligible to play in the tournament with the other classes. This year the tournament was held in the Boys Gym during the third hour. The smashing, devastating Sophomores, captained by Bernice Solek, took a tremendous and hardwon game over the fast Senior team, captained by Sherry Neuert.

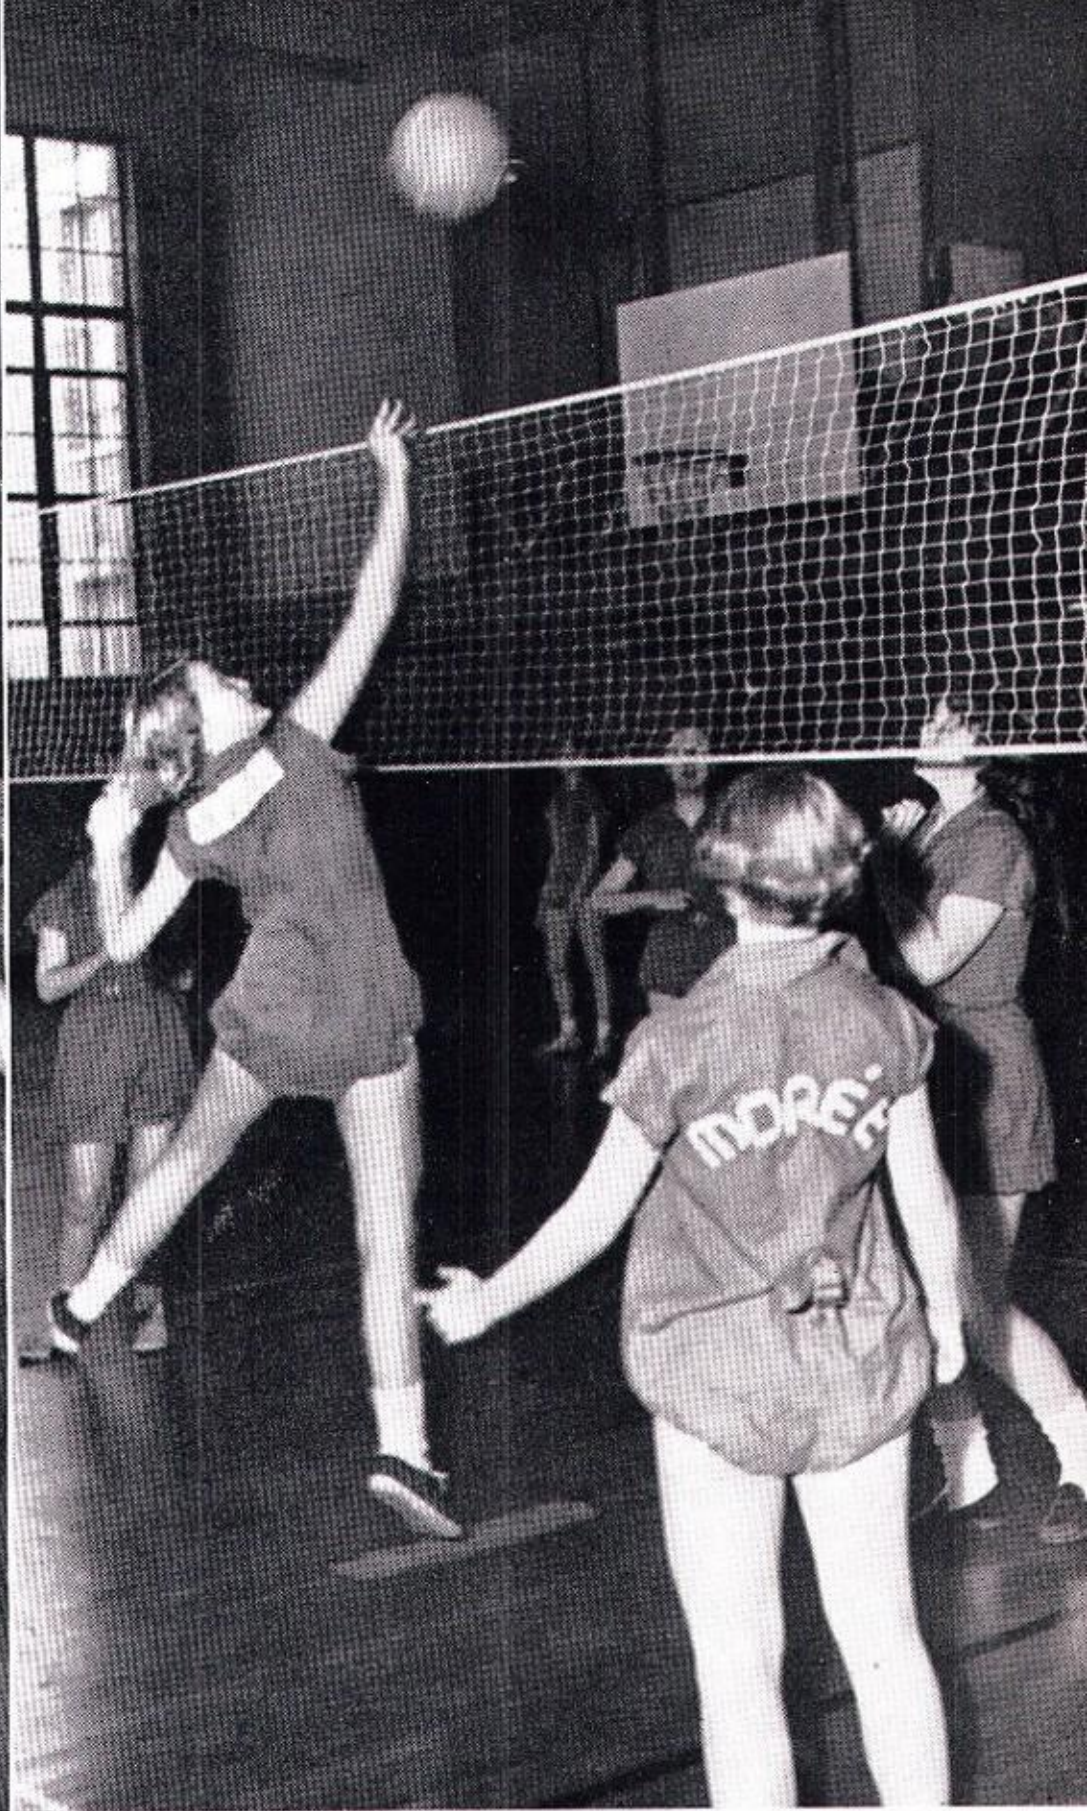

Following the basketball season comes another inside, but well-liked sport, volleyball.

G. A. S. SUPPLEMENTS GIRLS' GYM PROGRAM

This is played until the weather outside proves too nice to stay in.

Baseball! The outside and good times for this sport! Swinging a stick and sending the ball flying is a great satisfaction to every girl and shouts can be heard as she runs across home plate.

The G.A.S. has many activities besides its sports program. Early in the school year, it sponsored a party in the girls gym to get the freshman girls acquainted with G.A.S. Then before Christmas the new, and gay "Ko-Ed Kapers" was put on with Sara McDevitt and JoAnn Jefferds as co-chairman. This was a party given exclusively for the girls. Every girl came dressed in costume and there were many prizes given for the funniest, the prettiest, and the most original. These were judged by

Miss Fern Dickey, Miss Mildred Schmidt, Miss Florence Lanz, Miss Betty Tussing and Miss Mary Fischer. Refreshments, program, a floor show, square dancing and the drawing for the queens were more of the highlights of this affair. Walda Blank, Freshman; Judy Klotz, Sophomore; Nancy Archambeau, Junior; and Charlotte Slevin, Senior, enjoyed the honors of being queens for the night. Don Black, Don Sharpe, and Norman Kies, reigned with them as kings.

Other activities throughout the year were: a party for the Maumee Orphanage, Pop's Night, and the Senior Banquet.

Charlotte Slevin, President; JoAnn Jefferds, Vice-President; Nancy Brown, Secretary; and Sara McDevitt, Treasurer, headed the G.A.S. organization.

NANCY?

I am sure you will go places in future years.
I will remember you always - See you next year.
Have lots of fun this summer, good lucks in
everything you do, I hope we will get in some
classes together next year, Nancy - Dick Pasley

DEAR NANCY, Oh high,
(SORRY for this spelling!)

L

As the legendary pot of gold shines at the end of the rainbow so this Pot O' Gold shines at the end of our school year. It binds together the colorful memories of friends, of activities, of teachers and classes, and of our DeVilbiss. This book is published to preserve these memories, and to hold before each student the ideals for which DeVilbiss stands.

In many jobs there are those people who work hard because of their interest in that job but receive very little credit or commendation. The production of this year-book is no exception. As Editor, I would like to take this opportunity to express my appreciation to those who have made this book possible. We gratefully acknowledge the contributions and assistance of Mr. L. L. Beach and Mr. B. M. Young of the Caslon Company for printing; Mr. Lawrence Smith of Graphic Arts for engravings; Mr. Ralph Benz of S. K. Smith Company for covers; the Photo-Reflex Studio of the Lasalle and Koch Company for senior pictures; the Toledo Blade and Dick Kline for photographs; Miss Mildred A. Farr for Mimeographing; Miss Ruth Smith and Mr. D. N. Stalker for their patience and guidance as our advisers; Joan Bishop for publicity; Leslie Raab for art work; the DeVilbiss administration, faculty, office and maintenance staffs for their cooperation; and the members of the Pot O' Gold staff for their labor and perseverance.

You all have taken an interest in the production of this book with the attitude "What can I give?" rather than "What do I get?" It's been wonderful working with you, and you've all done a lot toward helping this year's Student Council achieve it's goal of making "Year 21 The One" by helping to make this volume truly a Pot O' Gold.
